Dear Merrillville High School students, teachers, and families:

You're invited to join us on an upcoming educational travel experience to Scotland in Summer 2024!

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and I would love to have your student join me on this adventure.

**There are limited spots on this trip,
Feel free to stop by A108 for further information.**

***This is not a school sponsored trip.**

**Thanks,
