

WINNING WARRIORS PROGRAM SCHOOL YEAR 2020-2021

Dear Supporter,

Please join us in celebrating education, sports and other activities at George Whittell High School (GWHS) -- home of the Warriors! Our Boosters Club offers a unique opportunity to local businesses, organizations and families who want to show their support of GWHS. The Winning Warriors program funds exciting projects for our students such as field trips, clubs, scholarships and many other activities.

Become a Whittell Winning Warrior for \$500.00 per school year. All Winning Warrior donors will be recognized as follows:

- A business card “logo” included in our weekly Whittell Warriors ~ Weekly Boosters Email that goes out to all GWHS families weekly. Your business card rotates at the top spot every week with other sponsors.
- Your business card “logo” on a 2’ X 3’ sign which will be displayed inside the gymnasium. If winter sports are held, the sign will be displayed outside on the athletic field fence.
- When/If the Covid-19 restrictions are lifted, your company will receive two complimentary passes to all sporting events for the year (excluding regional and state championships). Your business will also be announced by the commentator during all home games.

Thank you for your consideration of putting your business, community organization or family in front of GWHS families by joining the Winning Warriors.

Nancy Smith, President
Whittell Boosters Club Inc.
