

Requested School Supplies for Stars Students 2023-2024

- A planner to record homework assignments (optional, but strongly encouraged!)
- A binder system for the core courses:
 - Options:
 - a single, large binder
 - two larger binders - one for morning classes and one for afternoon classes
 - separate binders for each course.
 - The math and science courses each require a separate 1 ½" binder.
 - We suggest that binders are labeled with the subject name: math, English, literature, life science, and world history.
- Loose leaf, lined paper for each binder
- A pocket folder for each course in which completed homework should be placed
- Pencils/eraser caps
- Pens
- Highlighters
- Pencil pouch or box if desired
 - One that clips into a binder is great.
- One single-subject notebook
- A scientific calculator (a graphing calculator is not needed)
 - The student's name should be on the calculator.
- 3 or more boxes of tissues for your homeroom
- Headphones that are NOT wireless
