Stepping Stones Summer Camp

Date: 6/5/23 - 8/5/23

Location: Two local Stepping Stones locations

Stepping Stones is delighted to once again offer summer camp volunteer opportunities at two of our beautiful Greater Cincinnati locations! Volunteers have always been cherished members of our camp community and as we look forward to our 60th summer program season — we are excited to welcome them back in Day Camp at our Given Campus (Indian Hill) and Overnight Staycations at our Allyn Campus (Batavia).

Individuals over the age of 13 who **meet service requirements** can now register for Summer 2023 volunteer shifts! Engage participants in art, sensory and nature activities as well as summer favorites like fishing and swimming.

- Earn service hours while enjoying a rewarding experience
- Support participants in creative and team-building activities
- Develop important life skills like adaptability

To protect our program community, all volunteers must have the ability to display appropriate behavior at all times and respect everyone's boundaries and level of ability.

CHCA Summer Camp - Intro to Lego Engineering

Date: 6/5/23 - 6/9/23

Time: 8:00 - 12:00 PM

Location: Edyth B. Lindner Lower Elementary School

Must be a member of the CHCA High School Robotics Team. Training Required.

Assist with summer camp opportunities. Your mentorship will allow summer campers to experience STEAM experience and skill development. It will also allow the volunteers to better prepare practice and improve the STEAM workshops.

The campers participating in the Intro to LEGO engineering will be rising 1st and 2nd graders.

Direct Hours will depend on the number of days you volunteer. You will receive 4 hours for every day you participate. Be sure to put in the number of hours when you enter it into InnerView.

Clutter2Care – Student Summer of Service

Dates: Every Wednesday 6/7/23 - 8/2/23
Time: 1:00 – 3:00 PM
Location: [8685 Fields Ertel Rd, Cincinnati, OH 45249](#)

Grab your friends for a friendly high school community service opportunity. Serve at Clutter2Care every Wednesday from 1-3. Compete with other area high schools to see which one has the most participation. Service opportunities include sorting warehouse donations, working the store front, assisting customers, organizing love kits and so much more. Let's show the rest of the community how amazing CHCA is!

Building Hope - Build Homes for Local Families - Friday

Dates: 6/9/23, 6/10/23
Time: 8:00 AM - 4:00 PM (multiple shifts available)
Location: 11251 Montgomery Road, Cincinnati, OH 45249, USA

Most of our volunteer opportunities require NO construction experience. This is a great opportunity for you to serve with your family and friends. Children 8 years of age and older are encouraged to serve alongside their parents.

On **June 9th & 10th, 2023** we will be bringing the mission field to you with the Building Hope Family Serve Event ... taking place in the Montgomery Community Church (MCC) parking lot! We will work together to assemble wall panels to build 6 houses for victims of natural disasters.

In addition to building the wall panels, we are especially in need of volunteers Saturday afternoon 6/10, to load the completed wall panels into the trucks from around 3:30-5:00pm.

Repair Affair - People Working Cooperatively

Dates: 6/10/23

Location: People Working Cooperatively, [4612 Paddock Rd, Cincinnati, OH 45229](#)

Join PWC's annual summer volunteer event and use your home repair skills to provide important home maintenance services to low-income seniors and people with disabilities in our community! Recruit a group of friends and family or organize a team from your company, school or faith-based group and spend a morning helping your neighbors.

Repair Affair is moving to June! While our largest participation date and celebration will be held on Saturday, June 10, Repair Affair groups will still be able to choose any date in June that works best for them.

What is Repair Affair?

Repair Affair is one of PWC's annual volunteer events. Form a small group of volunteers with home repair skills and make a concrete difference in the lives of our low-income neighbors by:

- Installing handrails
- Repairing drywall
- Fixing leaky plumbing
- Repairing damaged walkways and steps
- Performing other home maintenance for our clients

Who should volunteer for Repair Affair?

PWC is looking for individuals and small groups with home repair skills who can provide their own tools, and who are comfortable taking ownership of a minor home repair project. Though PWC staff will assess all projects ahead of time and will be available for technical support leading up to and during the event, we are unable to staff each Repair Affair project with a PWC technician. The best way for us to stretch our limited funding for this event is to rely on our capable volunteer crews to make it happen!
