SBISD Vision: T-2-4 for Every Child

Every SBISD graduate will attain a technical certificate, military training, or a two-year or four-year degree.

Core Characteristics of a T-2-4 Ready Graduate

T-2-4 defines what we want our students to achieve. The six Core Characteristics of a T-2-4 Ready Graduate define who we want them to become as they matriculate through our school system. They are:

- **Ethical & Service Minded**—Every child acts with integrity, is personally responsible for their actions, and is a civically-engaged community member.
- **Empathetic & Self Aware**—Every child appreciates differences, forms secure relationships, and cares for their own and other's emotional, mental, and physical health.
- **Persistent & Adaptable**—Every child is fueled by their own passions, interests, and goals, and perseveres with confidence and courage.
- **Resourceful Problem-Solver**—Every child thinks critically and creatively and applies knowledge to find and solve problems.
- **Communicator & Collaborator**—Every child skillfully conveys thoughts, ideas, knowledge, and information and is a receptive and responsive listener.

Introduction

The following procedures, developed by the SBISD Volunteer Advisory Board, are designed to protect both students and volunteers. Acceptance of and adherence to these ethics, procedures, and guidelines is mandatory to participate as a volunteer in Spring Branch ISD.

These volunteer guidelines are designed to protect students from harm and to prevent any and all aspects of improper behavior by individual mentors, volunteers, students, and schools participating in Spring Branch ISD volunteer programs. Please know that we appreciate your participation and that we appreciate your adhering to these guidelines. If you have additional questions, ask your school principal, campus volunteer coordinator, or the Community Engagement Department.

Volunteer Procedures.

- **Criminal Background Check.** All current and potential SBISD volunteers must annually complete the SBISD volunteer registration process and undergo a criminal background check. The SBISD online volunteer registration is accessible through the district website. Individuals' criminal histories are subject to review by SBISD to determine eligibility to serve as an SBISD volunteer. SBISD reserves the right, in its sole discretion, to refuse and/or restrict an individual's access as an SBISD volunteer based on an individual's criminal history, in accordance with applicable law and SBISD policy, including [SBISD Policy GKG \(Legal\)](#). At no point shall a volunteer be permitted to volunteer prior to SBISD receiving criminal background check results.
- **Training.** Depending upon the volunteer role, you may be required to attend a campus or district training.
- **Campus Entry.** All volunteers must adhere to individual campus entry procedures and be signed in and out each time you volunteer on campus through the Raptor System.
- **Name Badge.** Visibly wear the Raptor-generated identification badge at all times while on campus.
- **Standard Response Protocols.** Safety and security is our top priority. All volunteers should know and follow the Standard Response Protocols while on campus. Review these [here](#).
- **Volunteer Hours.** Volunteer hours are captured through the Raptor System. The volunteer is responsible for tracking and/or recording any volunteer hours served off-campus for recognition purposes.
- **Dress Code.** Use common sense in your attire; please dress appropriately for any specific events you attend. Neat, conservative attire is preferred and casual dress is acceptable. Remember, you are a role model for students. SBISD reserves the right to ask any volunteers to change clothes that SBISD deems unsuitable. Note that SBISD has a neutrality policy for all its employees—clothing must be free of any political or religious speech. We ask volunteers to adhere to this so long as it is practicable.
- **Non-School Age Children.** Only bring your non-school age children with you if a school permits and if childcare is available.

- **Dependability.** Maintain consistent and regular attendance. Contact the school if you are unable to attend as scheduled.
- **No Smoking or Alcohol.** All SBISD facilities are tobacco free zones, and alcohol consumption is strictly prohibited on SBISD property. This includes parking lots, stadiums and outside fields.
- **Respect.** Volunteers will be respectful of student’s and staff’s cultural, social, and religious differences. Openness, honesty and respect are expected.
- **Role.** The teacher is in charge of all phases of classroom activity and volunteers will take directions from the teacher or other administrators. Your activities should support the efforts of staff members but not replace them or exceed their authority.
- **Discipline or Other Concerns.** Report discipline, academic or social/emotional concerns to the appropriate administrator or teacher. Student discipline is the sole responsibility of administrators and school staff. Volunteers should not be put in a position of having to enforce discipline.
- **Calendars.** Stay informed of school holidays, field trips, testing, etc. as posted on the district website.
- **Materials and Supplies.** Return any school supplies utilized in your volunteer role and advise the appropriate school personnel of needed supplies as appropriate. District materials and supplies are not to be used for personal use.
- **Pictures and Recordings.** Volunteers should not photograph or record any students who are not their own, without prior permission from the teacher and/or the campus principal. Additionally, volunteers should not photograph or record any students’ work without prior permission from the teacher and/or campus principal. Volunteers should never post, distribute, or publish any photograph or recording of any student not their own, even if the teacher or campus principal consents, on any social media site.
- **Removal.** A volunteer may be removed from service from a campus or SBISD any time it is deemed necessary and appropriate to do so. If it is determined that it is in the best interest of the district that the volunteer shall be excluded from service, SBISD will notify the volunteer.

Confidentiality.

All student information shall be treated confidentially. Both state and federal law protect the privacy of student information, including the Family Educational Rights & Privacy Act (“FERPA”). Sharing student information with others may be a violation of the law. Confidential information includes any personally identifiable information regarding a student, including, but not limited to, a student’s:

- Scholastic and health records
- Test scores and grades
- Family information
- Discipline or behavioral incident information
- Status or accommodations given an academic or developmental special need

In the course and scope of volunteering, you may obtain information that is otherwise confidential by state or federal law (e.g. FERPA) and/or SBISD policy. As a volunteer, you must not disclose such confidential information except as may be allowed and/or required by law or SBISD policy. You further must exercise due diligence to safeguard against the negligent disclosure of confidential information by ensuring confidential information is not left unattended or unsecured in paper or digital format. If you have any questions about whether certain information is confidential or the disclosure of student information, ask campus administration for clarification.

Do not make a promise to a student that you will not reveal confidential information to a parent or school officials. *It may be necessary to do so* for the welfare of the student and to protect you from violating the law. Although the student is free to share confidential information with you, there are certain things that you are required by law to tell the campus administrator. Any personal information learned from a student or student's files, should be held in strictest confidence **except:**

1. If a student confides that he or she is the victim of sexual, emotional, chemical or physical abuse;
2. If a student confides that he or she is involved in any illegal activity; or
3. If a student confides that he or she is considering homicide or suicide.

Should one of these exceptions arise, you are required to immediately notify the student's principal or appropriate school personnel and/or appropriate agencies in the case of suspected child abuse or neglect in accordance with applicable law and [SBISD Board Policy FFG](#), within 48 hours of learning of facts giving rise to the suspicion. Note on your calendar when this information was reported and to whom it was given. Remember, this information is extremely personal and capable of damaging lives, so do not share it with anyone except the appropriate authorities. If you have questions, please ask a campus administrator. Any student needs communicated to the volunteer should be referred to an appropriate staff person.
