

SHAC Meeting Minutes
February 2, 2023

Meeting Start: 4:07 pm

Safety and Security: Brad Robertson

-Emergent Management:

- *Local Law Enforcement
- * Brownsboro ISD Police Chief
- *Superintendent/ School Board President / Superintendent Designees
- * Parent Designees

-Emergency Operation Plan Overhaul

- *Knox Boxes Placed on all campuses: ability for the individuals listed above to gain access to each campus in an emergency (ex: fire, catastrophic event, threat, dangerous behavior)
- *Recently Re-wrote (EOP) Emergency Operation plan for BISD and annexes.
- *Renumbering all exterior doors and windows across all BISD campuses (right hand corner) for proper identification in an emergency

-Intruder Detection Audit Results:

- *periodic "intruder" drills completed across all campuses.
- *BJH 9/29/22 and CES 1/20/22- both drills the intruder was unable to gain access.
- *weekly door checks completed on all campuses and documented. –perfect scores,

- Emergency Drills

- *Every campus has to complete a certain amount of each emergency drill per year.
- *Evacuation (4), Lockout (2), Lockdown (2), Shelter in Place (2), Reverse Evacuation (1)

-Student Threat Assessments:

- *Records kept on each campus. Assessments look at age, type of threat (level), each level has a protocol that is followed. (ex: self-threat, social media threat, 1 on 1 threat)

-Centegix (Crisis Alert System)

- * System that BISD is installing for Emergency alerts.
- * a badge with a button will be worn with all BISD badges that has a button. This is linked to a system wide installed system that if pressed the correct amount of times for the emergency needed it will alert staff and or superintendent/local law enforcement. Button pushed 3x (staff needed alert) minor emergency. Button pushed 8x (campus alert/ major emergency, campus lockdown, fire. Police, superintendent, medical personal respond)
- *the alert notifies everyone immediately and strobe lights go off in classrooms.
- *system is being set up currently and once set up all staff will be trained.
- *no wifi needed, batteries in badges last for 5 years, can perform drills and throughout the campuses and facilities, will reach to outdoor facilities.

Other agenda: UT Tyler Partnering with Counselors: Keri Hampton

- *UT Tyler will be providing interns to be available for students for mental health concerns/needs.
- *paid for with grant money.

Next meeting: April 11th
