

SHAC 2021-2022 Meeting Minutes

February 8, 2022

Meeting Start 4:00 pm

Meeting End 4:59 pm

Guest Speakers:

Gene Weinkauf- Director of Dining Services/BISD/Child Nutrition

Leslie Saunders- HELP Center

Jesi McKenzie- United Healthcare Dental

Gene Weinkauf

- Informs and speaks of legalities regarding food allergies, nurse notification, and doctor's note. There is a team that coordinates and puts requests and accommodations in Child Nutrition/Nutrislice.
- Discussion of improvements since 2020 through Nutrislice
- Regulations: Reference Manual Available with strict regulations.

For example: all schools are required $\frac{1}{2}$ cup dark green vegetables per week. Parents ask why so much broccoli is served in our cafeterias. The options available to serve: kale, broccoli, brock choy, mustard greens, collard greens. Green beans are considered "other" without nutritional value.

- Concerns: Currently difficult (back order) to get paper goods, cereal and some items to serve. BISD Cafeterias are finding creative ways to continue to serve and limit use of paper goods.

Leslie Saunders

- HELP Center- What is it? - Social services to Henderson County. Emergency Financial Services. Reference and Referrals for family needs- utility support, medications, etc.
- Anyone can call/ teachers, staff and make referrals.
-ex: teacher/nurse notice child's medication ran out, they make referral, HELP center contacts family and pays for medication for 1 mo.
- HELP has associated Charity donors: local churches, private donors, Red Cross- these sponsor and help provide services.
- Teen Sexual Education: "Worth the Wait" "Living Well Aware"
- Each piece of education is specifically designed for each age group. Starts very simple and then builds upon and becomes more complex as the child ages. High School Education includes education on Sexual Assault, ETOH, drugs, tobacco
- Crime Victim Services: on scene support, follow victims through process, for hearing, transportation, post experience counseling. SANE exams.
- Brownsboro Police/ISD: associated and assist with HELP center.
- Go Blue Day: Child Abuse Awareness: April

- **Maggie's House:** Child Advocacy established 2000. Accredited by the State. 2012-Nationally Accredited.
 - Children of Abuse and Neglect- works with law enforcement, physicians, CPS, Prosecutors.
 - Forensic Interview- Trained personnel, to ask specific questions. If a nurse/staff member suspect, please make a referral but do not ask specific questions.
 - Counseling services available, even long term services. HELP center assists with gas/transportation to get there, court, etc. Bilingual services available.
 - Teams meet monthly and discussed old and new cases.
 - 2019- 310 kids/cases, 2020- 418 kids/cases, 2021- 438 kids/cases.
 - What to look for:** injuries to non-bony prominences (thighs, back of arms, back)
 - if you see something, SAY something!!!
 - Non-emergent- online referrals available=24-28 hr delay phone calls are addressed first.
 - Emergency- Call HELP Center (will interview within 24hrs) -Call Law Enforcement and then CPS.
- HELP Center/UT Health Partnered to assist with Opioid epidemic
Treatment program- for Opioid and other drug abuse.

Jesi McKenzie:

- Children's Dental Health Month- "Help Kids Live Healthier Lives" "Keeping Smiles Healthy"
- Child Medicaid/CHIP
- Organizations: Community Based, Faith Based Organizations, Health Fairs, Local events.
- How to Qualify: Family Income Based, (0-21 years old)
- Teams that Serve Members.
- Dental Case managers- looks at specific dental and medical health needs and assist with all needs for that child
- Reinforcement of Healthy Habits: rewards for attending regular checkups (gift card, backpacks, toothbrushes, mouth guards for sports)
- Education in classrooms, School Help Partners, School Nurses, Library for resources on Website.
- Website: www.UHCVirtual.com/Dental-TX
