

SHAC 2021-2022 Meeting Minutes

April 5, 2022

Meeting Start 4:02 PM

Members Attended: Diana Williams, Jo Mettetal, Erika Meyer, Diana Herrington, Tara Williamson, Rita Gray, Mandy Grubs, Amy Daily, Tracy Volentine, Karen McHam, Paula Stephenson, Brad Robertson, Melissa Dingler, Amy Fulgham

Guest Speakers: Mandy Grubbs: Back to School Health Fair,

Rita Gray: Next Step, Sources of Strength

Back to School Health Fair:

-Back to School Health Fair is a Community wide event hosted by multiple churches in the Brownsboro/Chandler area. This year the event will take place August 6th from 10am-1pm at the high school. The event is open to

-Services available: backpacks filled with school supplies, brand new shoes and socks for every child that attends, hair cut vouchers, basic dental screening and referrals to local participating dentist, Eye Screening, Immunizations for those children that are out of date, and local churches provide a meal to take home as they leave.

-This will be the 9th annual Health Fair for Brownsboro/Chandler: Past years Over 5,800 families have been served, 4400 backpacks with school supplies provided, 1100 haircuts and vouchers provided, 2500 pairs of shoes/socks have been provided.

- NHS Students will have to opportunity to volunteer for hours and a public online volunteer form will be posted closer to the event date.

Next Step

-Counselors serving BISD students through greif/loss, mental health, anxiety, behavior concerns, depression. This service is funded by the government and is no cost to the family or student.

-From September to February this service has served 80 students in the district with 586 sessions.

-Referrals: teachers/counselors, trained staff talk with the student, the concern is classified into tiers to see what services are needed. Licensed Clinical Counselors come to the campus and serve students and even staff.

-*** if a student is already seeing a counselor outside of school this service can not be provided due to double dipping funding.

Sources of Strength: Suicide Prevention Program

- included in program: suicide ideation, dating violence, bullying, etc.
- district is training administrators and selected staff and a few selected students to look and notice those individuals that may need help. Educate the student body on these individuals selected on who they can go to for help if needed. These trained people can report and get the individual help.

Other Topics of Discussion:

- District is Partnering with Baylor Scott and White/Azalea Orthopedics for discounts of sports physicals, next day visit or radiology for injuries while playing school sports. CPR courses available. Vision/Health Screenings.
- BISD was approved for 1 more athletic trainer and they will be assigned to BJH so that they are always available for this campus/JH sports.

Meeting Adjourned at: 4:32pm
