Agenda:

Reintroduction/Review of Topics from 10/27 mtg

-Ways getting SHAC information out, COVID precautions, Next Step/mental health awareness, cardiac awareness/screening.

New Exclusion/New Guidelines/ COVID 19 Algorithm:

-CDC Guideline changes as of 12/8: (Close Contact vs isolation vs quarantine):

*quarantine-changed to 10 days and symptom free

*Isolation-5 days w/ (-) test, return after 7 days if no symptoms and no meds to control symptoms. May return with dr note/fever free.

*close contact- quarantine 8 days with a negative test.

New Topics:

Food Services for Quarantine Students: Students do have access to free meals. Parent must call Gene Weinkauff 903-852-1051

VSP Vision: any child <18 y/o and meets qualifications/financial requirements can receive a free eye exam and glasses. Gift Certificates are available on each campus.

Asthma Bus: free asthma assessments for the students via UT Health. (Breath of Life). Explained this is for parents who think may have issues and want to take advantage of this free assessment.

Texas Mobile Imaging: provided for staff and family members. First year for us to do this, or at least in many many years.

Epi Pens for Schools: 2-4 available at each campus (free to schools) and staff are trained on administration.

Next Semester: Puberty Education: (Proctor and Gamble)

*Intermediate Schools: information available to parents to view prior to students attending. Programs are separated boys/girls.

*bags are provided to girls to make the experience easier

***Jo Mettetal help kick this off past school year!!!! (Presented to campus with willingness to help in any way, brought up idea, helped provide bags, panty, wipe, pads) HUGE SHOUT OUT TO HER!!! This year Tara Cutlip has already volunteered to help donate IPSY bags and with whatever else we need there!! THANK YOU TARA!
