Principal's Message

(School Closure Edition)

3/25/20

Greetings Brookside Families,

You probably saw the email from public.info@shorelineschools.org last night letting you know that Shoreline is now providing learning resources for you to use at home. The website built to share this with you has MANY helpful resources...but sometimes getting many things at once can be overwhelming!

The full plan has several parts and is detailed within the links below. However, I've gone through the site and pulled out some direct links that you might be seeking. I hope that this is helpful to you as we embark in this new phase of our school closure journey together.

John Simard
Principal
