Review the school year with your child and set new goals

It's nearing the end of a busy school year. Your child has read new books and he's mastered new skills. Now is the perfect time to talk about everything he's learned.

Make time to have a chat about school. You could even plan something special, such as going out for a treat or making a favorite meal together. During your talk:

- **Take a look back.** What was your child's favorite school project this year? In what subject did he improve the most? Which book that the class read was his favorite? What goals did he accomplish? Help your child see the ways he has grown. "You worked hard to master division this year. You can do challenging things when you put your mind to it!"
- **Take a look forward.** Why is your child looking forward to this summer? What is he excited about for next year? Is there a subject or an area he'd like to improve in next year? Are there books he would like to read? Encourage him to make a list of everything he hopes to accomplish in the months to come.
- **Discuss how learning** doesn't stop at the end of the school year. One of the great things about the summer is that it offers the opportunity to learn new things. Help your child think about something he'd like to learn. Would he like to learn a new sport? Would he like to teach himself how to paint? Would he like to learn a new language? Together, make a plan to help him achieve his learning goal.

YMCA Kids University

The Y is excited to have the opportunity to partner with every elementary school in the Shoreline School District next year to support your child beyond the bell. Whether you are looking for enrichment and activity on the new Partial Release Wednesday or a daily program - we've got you covered! Choose from a menu of multi-week experiences like sports, arts and other hands-on learning activities. Registration is open now for monthly passes. Individual class registration opened June 11. Learn more at www.ykids.org/dal.

PTA After-School Activities

PTA is planning to continue to offer before and after school opportunities. More information to follow in the fall.

Early Release Wednesdays 2018-19

The Shoreline School Board has approved the proposal to have students released early on Wednesdays that fall in 5 day weeks. This will begin in the 2018-19 school year with early release at 1:50 p.m. Moving forward with this plan will eliminate non-student days so that our students attend 180 days rather than only 175. See the exact days on the Shoreline District web page <https://www.shorelineschools.org/domain/1456>. Bus transportation will be offered to students as usual. More information on after school options will be provided later. These options will include tuition-based extended care and enrichment activities at every elementary school; scholarship vouchers will be available to students who receive free or reduced price lunch. Although adjusting to this schedule will pose challenges for some families, there will be more opportunities over the course of the year for our staff to work together and further improve the great work happening at your child's school.

For Shoreline School District Students Needing Support

School Supplies, Hair Cuts, Clothing

The Back to School event provides school supplies, haircuts, and clothing assistance for families who are living with a low income and/or experiencing circumstances in their life that make it challenging to prepare their children for going back to school.
