

## FIRST 5 ALAMEDA COUNTY FAMILY CAMP OPPORTUNITY

# Join Us at Feather River Family Camp

**"The children had the most beautiful experience. Having the whole family together spending quality time and doing all the amazing activities that OFRC offers was amazing." -2022 Family Camper**

Since 1924, Oakland Feather River Camp has provided a special place for Oakland and East Bay families to gather and enjoy the scenery of Plumas National Forest. Whether you're splashing in the swimming hole, enjoying our home-cooked meals, hiking, playing games, relaxing on the veranda, doing arts and crafts, or falling asleep to the sounds of Spanish Creek, you will find rest and relaxation at camp.

This summer, OFRC and First 5 Alameda County are partnering to provide FREE Family Camp experiences to youth and families who could benefit from this time outdoors as a family. If you are reading this message, you and your family have been identified as eligible to participate this July. All fees are waived, and First 5 Alameda County will cover the full cost of your 3-night stay including tent or cabin lodging, three meals per day, and all sorts of fun activities. We look forward to welcoming you! -Mark Olson, Executive Director

**"Thank you so much  
for supporting  
families so they can  
have this amazing  
experience that  
children in the  
city don't have."**
