Community Counseling Clinic

We are open & accepting clients for Telehealth!

About Us:

We are a nonprofit training facility located at Cal State East Bay, offering counseling services to the Bay Area community at no cost. We have worked with individuals, couples, and families for over 40 years providing mental health and wellness support.

HAYWARD PROMISE NEIGHBORHOODS

What we offer:

- Individual Counseling
-Child & Adolescent Counseling
-Couples Counseling
-Family Counseling
-Parenting Education Classes
-Play Therapy for Children & Families
-Counseling in Multiple Languages

Telehealth Services:

Due to COVID-19 Pandemic, there will be no in-person counseling sessions; we are providing counseling services through Telehealth--a distance/remote process. Telehealth is a form of delivering health care, health information, and health education services via remote and digital technology. We have a limited number of free camera-enabled devices. Must have wi-fi access.

For more information about no-fee counseling services.
