As part of its responsibility to establish a guiding vision for the district, the Governing Board shall develop and regularly review a set of fundamental principles which describes the district's beliefs, values or tenets. The Board and district staff shall incorporate this philosophy in all district programs and activities.

It is the philosophy of the district that:

1. All students can learn and succeed.
2. Every student in the district, regardless of gender, special needs, or social, ethnic, language or economic background has a right to a high-quality education that challenges the student to achieve to his/her fullest potential.
3. The future of our nation and community depends on students possessing the skills to be lifelong learners and effective, contributing members of society.
4. A safe, nurturing environment is necessary for learning.
5. Parents/guardians have a right and an obligation to participate in their child's schooling.
6. The ability of children to learn is affected by social, health and economic conditions and other factors outside the classroom.
7. Early identification of student learning and behavioral difficulties contribute to student success.
8. Students and staff respond positively to high expectations and recognition for their accomplishments.
9. Continuous school improvement is necessary to meet the needs of students in a changing economy and society.
10. The diversity of the student population and staff enriches the learning experience for all students.
11. A highly skilled and dedicated staff has a direct and powerful influence on students' lives and learning.
12. A high level of communication, trust, respect and teamwork among Board members and the Superintendent contributes to effective decision making.
13. The community provides an essential resource to the educational program.

14. Effective communication with all stakeholders helps build support for the schools.
15. Accountability for the district's programs and operations is shared by the entire educational community, with the ultimate accountability resting with the Board as the basic embodiment of representative government.

**Goals For The School District
Philosophy, Goals, Objectives and Comprehensive Plans**

BP 0200

As part of the Governing Board's responsibility to set direction for the school district, the Board shall adopt long-term goals focused on the achievement of all district students. The district's goals shall be aligned with the district's vision, mission, philosophy, and priorities.

In developing goals and identifying strategies to achieve those goals, the Board and Superintendent shall solicit input and review from key stakeholders. The Board shall also review and consider quantitative and/or qualitative data, including data disaggregated by student subgroup and school site, to ensure that district goals are aligned with student needs.

Goals shall be established for all students and each numerically significant subgroup as defined in Education Code 52052, which may include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, and foster youth, and shall address each of the state priorities identified in Education Code 52060 and any additional local priorities established by the Board. These goals shall be incorporated into the district's local control and accountability plan (LCAP). (Education Code 52060, 52062, 52063; 5 CCR 15497)

The LCAP shall include a clear description of each goal, one or more of the state or local priorities addressed by the goal, any student subgroup(s) or school site(s) to which the goal is applicable, and expected progress toward meeting the goal for the term of the LCAP and in each year. (5 CCR 15497)

Each year the district's update to the LCAP shall review progress toward the goals and describe any changes to the goals. (Education Code 52060-52061)

In addition to the goals identified in the LCAP, and consistent with those goals, the district and each school site may establish goals for inclusion in another district or school plan or for any other purpose. Such goals may address the improvement of governance, leadership, fiscal integrity, facilities, community involvement and collaboration, student wellness and other conditions of children, and/or any other areas of district or school operations. As appropriate, each goal shall include benchmarks or short-term objectives that can be used to determine progress toward meeting the goal.

BP 0510

The Governing Board recognizes its responsibility to inform parents/guardians and the community about the conditions, needs, and progress at each district school and to provide data by which parents/guardians can make meaningful comparisons between schools. The process of gathering and analyzing data also provides opportunities for school and district staff to review achievements and identify areas for improvement.

The Board shall annually issue a school accountability report card (SARC) for each school site. (Education Code 35256)

In preparing the district's report cards, the Superintendent or designee may choose to use or adapt the model template provided by the California Department of Education. If the model template is not used, the Superintendent or designee shall ensure that data are reported in a manner that is consistent with the definitions for school conditions as provided in the template. At least every three years, the Board shall compare the content of the district's report cards to the state's model template, recognizing that variances are allowed by law as necessary to meet local needs. (Education Code 33126.1, 35256)

The Board shall annually approve the SARCs for all district schools and shall evaluate the data contained in the SARCs as part of the Board's regular review of the effectiveness of the district's programs, personnel, and fiscal operations.

The Superintendent or designee shall develop strategies for communicating the information contained in the SARCs to all stakeholders, including opportunities for staff and the community to discuss their content.

Notification and Dissemination of SARCs

The Superintendent or designee shall annually publicize the issuance of the SARCs and notify parents/guardians that a paper copy will be provided upon request. On or before February 1 of each year, the Superintendent or designee shall make the SARCs available in paper copy and on the Internet. (Education Code 35256)
