## **Concepts And Roles Administration**

BP 2000

The Governing Board recognizes that district administration performs essential roles and functions in support of student learning, including the provision of instructional support and services to schools as well as the responsible management of noninstructional operations. The Superintendent or designee may make decisions concerning district operations within the parameters of law and Board policy.

The Superintendent shall provide leadership in developing administrative regulations and organizational structures, decision-making processes, and staff action plans that allow the district to fulfill its vision and goals. The Board also expects the Superintendent to help shape the culture and environment of the district in a manner that focuses district operations on enhancing student achievement, encourages positive relationships within the community, and instills confidence in district schools.

The Board and Superintendent shall work together as a team in the exercise of district governance. The Board and Superintendent shall establish protocols that describe how the governance team will operate, including, but not limited to, agreements regarding Board meeting operations and communications between the Superintendent and the Board.

Because the Superintendent is the only district employee who is directly selected and evaluated by the Board, the Board has a responsibility to ensure that the Superintendent possesses the skills and attributes that best meet the needs of the district.

The Board and Superintendent shall agree upon a system for evaluating the Superintendent, including the evaluation criteria, method, evaluation instrument, process, and timeline.

The Superintendent may delegate to other district staff any duties imposed upon him/her by the Board. This delegation shall not relieve the Superintendent of responsibility for actions taken by his/her designees.

The Governing Board recognizes that it has a direct responsibility to select and employ the Superintendent. Whenever it becomes necessary for the Board to fill a vacancy in the position of Superintendent, the Board shall work diligently to employ a person whose management and leadership abilities are most closely aligned with district needs.

The Board shall establish and implement a search and selection process that includes consideration of:

1. The district's current and long-term needs, including a review of the district's vision and goals
2. The desired characteristics of a new Superintendent, including professional experience, educational qualifications, leadership characteristics, philosophy of education, and other management, technical, interpersonal and conceptual skills, as well as the priorities the Board wants to place on different abilities, traits and levels of knowledge
3. The scope of the search, including whether to promote from within the district or broaden the search to include both internal and external candidates and, if external candidates will be considered, whether to conduct a statewide or nationwide search
4. The salary range and benefits to be offered
5. Basic elements to be included in the Superintendent's contract
6. Whether to hire a professional adviser to facilitate the process
7. How and when to involve the community in certain phases of the selection process

9. The process for screening applications and determining how the screener(s) will be selected
10. Interview questions, processes and participants
11. How and when candidates' qualifications will be verified through reference checks
12. Other actions necessary to ensure a fair selection process and a smooth transition to new leadership

Even if a professional adviser is used to facilitate the process, the Board shall retain the right and responsibility to oversee the process and to review all applications if desired.

The Board shall select candidates to be interviewed based on recommendations of the screener(s) and the Board's own assessment of how candidates meet the criteria established by the Board.

The Board shall interview preliminary and final candidates in closed session and determine the most likely match for the district. (Government Code 54957)

The selected candidate shall hold both a valid school administration certificate and a valid teacher's certificate. The Board may waive any credential requirement, but shall not employ a person whose credential has been revoked by the Commission on Teacher Credentialing pursuant to Education Code 44421-44427. The Board shall deliberate in closed session to affirm the selection of the candidate and shall report the selection in open session. (Government Code 54957)

The Board shall conduct these proceedings in accordance with legal and ethical obligations regarding confidentiality and equal opportunity.

As necessary, the Board may appoint an interim superintendent to manage the district during the selection process.

## **Superintendent's Contract Administration**

BP 2121

The Governing Board believes that the Superintendent's employment contract should outline the framework through which the Board and Superintendent are to work together to achieve district goals and objectives. When approving the Superintendent's employment contract, the Board shall consider the need for stability in district administration and shall ensure the best use of district resources.

The contract shall be reviewed by the district's legal counsel and shall, at a minimum, include the following:

1. The general duties and responsibilities of the position
2. The duration of the contract, which shall be for no more than four years pursuant to Education Code 35031
3. The salary, benefits, and other compensation for the position
4. The criteria, process, and procedure for evaluation and the conditions for reemployment
5. The conditions for termination of the contract including the maximum cash settlement that the Superintendent may receive upon termination of the contract

The Board shall deliberate in the closed session of a regular meeting about the terms of the contract. (Government Code 54956, 54957)

Terms of the contract shall remain confidential until the ratification process commences.

The Board shall ratify the Superintendent's contract in an open meeting, which shall be reflected in the Board's minutes. Copies of the contract shall be available to the public upon request. (Government Code 53262)

During an existing contract, the Board may reemploy the Superintendent on mutually agreed upon terms and conditions. However, the Superintendent's contract shall be extended only by Board action subsequent to a satisfactory evaluation of the Superintendent's performance and in accordance with Government Code 3511.2.

### **Decision not to Reemploy**

If the Board determines to not reemploy the Superintendent at the expiration of his/her contract, the Board shall provide written notice to him/her at least 45 days in advance of the expiration of the term of the contract. (Education Code 35031)

## Termination of Contract

The Board may terminate the Superintendent's contract of employment in accordance with law and applicable contract provisions. If the unexpired term of the contract is more than 18 months, the maximum cash settlement shall be no greater than the Superintendent's monthly salary multiplied by 18. The cash settlement shall not include any noncash items other than health benefits, which may be continued for the unexpired term of the contract up to 18 months or until the Superintendent finds other employment, whichever occurs first. (Government Code 53260, 53261)

However, when the termination of the Superintendent's contract is based upon the Board's belief and subsequent confirmation through an independent audit that the Superintendent has engaged in fraud, misappropriation of funds, or other illegal fiscal practices, the maximum settlement shall be as determined by an administrative law judge but no greater than the Superintendent's monthly salary multiplied by six. (Government Code 53260)

In addition, if the Superintendent is convicted of a crime involving an abuse of his/her office or position, he/she shall reimburse the district for payments he/she receives as paid leave salary pending investigation or as cash settlement upon his/her termination, and for any funds expended by the district in his/her defense against a crime involving his/her office or position.
