**Board Member Electronic Communications  
Board Bylaws**

BB 9012

The Governing Board recognizes that electronic communication among Board members and between Board members, district administration, and members of the public is an efficient and convenient way to communicate and expedite the exchange of information and to help keep the community informed about the goals, programs, and achievements of the district and its schools. Board members shall exercise caution so as to ensure that electronic communications are not used as a means for the Board to deliberate outside of an agendaized Board meeting.

Board members shall make every effort to ensure that their electronic communications conform to the same standards and protocols established for other forms of communication. A Board member may respond, as appropriate, to an electronic communication received from a member of the community and should make clear that his/her response does not necessarily reflect the views of the Board as a whole. Any complaint or request for information should be forwarded to the Superintendent in accordance with Board bylaws and protocols so that the issue may receive proper consideration and be handled through the appropriate district process. As appropriate, communication received from the press shall be forwarded to the designated district spokesperson.

In order to minimize the risk of improper disclosure, Board members shall avoid reference to confidential information and information acquired during closed session.

Board members may use electronic communications to discuss matters other than district business with each other, regardless of the number of members participating in the discussion.

Like other writings concerning district business, a Board member's electronic communication may be subject to disclosure under the California Public Records Act.

The Governing Board recognizes the complex legal environment in which districts operate and desires reliable, high-quality legal advice at reasonable rates. In order to meet the district's legal needs, the Board may contract with county counsel, attorneys in private practice, or appoint legal counsel as a district employee or independent contractor. The Board also supports pursuing collaborative legal efforts with other agencies and districts as appropriate.

#### Duties of Legal Counsel

The district's legal counsel may: (Education Code 35041.5)

1. Render legal advice to the Board and the Superintendent or designee
2. Serve the Board and the Superintendent or designee in the preparation and conduct of district litigation and administrative proceedings
3. Render advice on school bond and tax increase measures and prepare the necessary forms for the voting of these measures
4. Perform other administrative duties as assigned by the Board and Superintendent or designee

#### Retaining Legal Counsel

When the district is seeking legal advice or representation, the Superintendent or designee shall initiate a Request for Proposals (RFP) to advertise and solicit proposals for legal services. In evaluating the proposals, the Board and Superintendent shall consider the firm's or attorney's background, experience, and reputation in education law; experience advising or representing school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

The Board and Superintendent shall annually evaluate the performance of the firm and/or attorneys providing legal services in such areas as efficiency and adequacy of advice; results obtained for the district; reasonableness of fees; and responsiveness to and interactions with the Board, administration, and community. Upon a successful evaluation, the Board may renew the agreement with legal counsel without initiating an RFP.

The Board may also contract for temporary, specialized legal services without initiating an RFP when a majority of the Board determines that the unique demands of a particular issue or emergency situation so requires.

## Contacting Legal Counsel

At his/her discretion, Superintendent may confer with district legal counsel subject to any limits or parameters established by the Board. In addition, the Superintendent may contact district legal counsel to provide the Board with legal information or advice when so directed by a majority of the Board.

**Filling Vacancies  
Board Bylaws**

BB 9223

Events Causing a Vacancy

A vacancy on the Governing Board may occur for any of the following events:

1. The death of an incumbent (Government Code 1770)
2. The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of his/her office for the remainder of his/her term (Government Code 1770)
3. A Board member's resignation (Government Code 1770)

A vacancy resulting from resignation occurs when the written resignation is filed with the County Superintendent of Schools having jurisdiction over the district, except where a deferred effective date is specified in the resignation so filed, in which case the resignation shall become operative on that date. A Board member may not defer the effective date of his/her resignation for more than 60 days after he/she files the resignation with the County Superintendent. Upon being filed with the County Superintendent, a written resignation, whether specifying a deferred effective date or otherwise, shall be irrevocable. (Education Code 5090, 5091)

4. A Board member's removal from office, including by recall (Elections Code 11384; Government Code 1770)
5. A Board member's ceasing to be a resident of the district (Government Code 1770)
6. A Board member's absence from the state for more than 60 days, except in the following situations: (Government Code 1064, 1770)
  - a. Upon district business with the approval of the Board
  - b. With the consent of the Board for an additional period not to exceed a total absence of 90 days

\*\*\*Note: AB 334 (Ch. 54, Statutes of 2011) amended Government Code 1064 to authorize the Governing Board to extend an out-of-state absence for an unlimited duration when the absence is due to illness or other urgent necessity. \*\*\*

In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the state may be extended by the Board.

- c. For federal military deployment, not to exceed an absence of a total of six months, as a member of the armed forces of the United States or the California National Guard

If the absence of the Board member for this purpose exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve in his/her absence. If two or more members of the Board are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.

7. A Board member's ceasing to discharge the duties of his/her office for the period of three consecutive months, except when prevented by illness or when absent from the state with the permission required by law (Government Code 1770)
8. A Board member's conviction of a felony or any offense involving a violation of his/her official duties or conviction of a designated crime resulting in a forfeiture of office (Government Code 1770, 3000-3003)
9. A Board member's refusal or neglect to file his/her required oath or bond within the time prescribed (Government Code 1770)
10. The decision of a competent tribunal declaring void a Board member's election or appointment (Government Code 1770)
11. The making of an order vacating a Board member's office or declaring the office vacant when the Board member fails to furnish an additional or supplemental bond (Government Code 1770)
12. A Board member's commitment to a hospital or sanitarium as a drug addict, dipsomaniac, inebriate, or stimulant addict by a court of competent jurisdiction, in which case the office shall not be deemed vacant until the order of commitment has become final (Government Code 1770)
13. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a Board seat(s) (Education Code 5090, 5326, 5328)

#### Timelines for Filling a Vacancy

When a vacancy occurs, the Board shall take the following action, as appropriate:

1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)
2. When a vacancy occurs longer than four months before the end of a Board member's

term, the Board shall, within 60 days of the date of the vacancy or the filing of the member's deferred resignation, either order an election or make a provisional appointment, unless a special election is mandated as described in item #3 below. (Education Code 5091, 5093)

3. When a vacancy occurs from six months to 130 days before a regularly scheduled Board election at which the position is not scheduled to be filled, a special election to fill the position shall be consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position which he/she was elected to fill. (Education Code 5093)

### Eligibility

In order to be appointed or elected to fill a vacancy on the Board, a person must meet the eligibility requirements specified in Education Code 35107.

### Provisional Appointments

When authorized by law to make a provisional appointment to fill a vacancy on the Board, the Board shall advertise in the local media to solicit candidate applications or nominations. A committee consisting of less than a quorum of the Board shall ensure that applicants are eligible for Board membership and announce the names of the eligible candidates. The Board shall interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by a majority vote.

Within 10 days after the appointment is made, the Board shall post notices of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be published in the local newspaper pursuant to Government Code 6061 and posted in at least three public places within the district. (Education Code 5092)

The notice shall contain: (Education Code 5092)

1. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation
2. The full name of the appointee
3. The date of appointment
4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment

The person appointed shall hold office until the next regularly scheduled election for district Board members and shall be afforded all the powers and duties of a Board member upon appointment. (Education Code 5091)

## Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated (i.e., a failure to elect) and a district election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. (Education Code 5328)

When an appointment is being made because of a failure to elect, the district shall publish a notice once in a newspaper of general circulation published in the district, or if no such newspaper exists, in a newspaper having general circulation within the district. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures for "Provisional Appointments," as specified above.

## **Conflict Of Interest Board Bylaws**

BB 9270

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. In accordance with law, Board members and designated employees shall disclose any conflict of interest and, as necessary, shall abstain from participating in the decision.

The Board shall adopt a resolution that specifies the terms of the district's conflict of interest code, the district's designated positions, and the disclosure categories required for each position.

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code and submit any changes to the code reviewing body.

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last statement and the date of leaving office or district employment. (Government Code 87302, 87500)

### **Conflict of Interest under the Political Reform Act**

A Board member or designated employee shall not make, participate in making, or in any way use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect" on one or more of the Board member's or designated employee's "economic interests," unless the effect is indistinguishable from the effect on the public generally or the Board member's or designated employee's participation is legally required. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

A Board member or designated employee makes a governmental decision when, acting within the authority of his/her office or position, he/she votes on a matter, appoints a person, obligates or commits the district to any course of action, or enters into any contractual agreement on behalf of the district. (2 CCR 18702.1)

A Board member who has a disqualifying conflict of interest on an agenda item that will be heard in an open meeting of the Board shall abstain from voting on the matter. He/she may remain on the dais, but his/her presence shall not be counted towards achieving a quorum for that matter. A Board member with a disqualifying conflict of interest shall not be present during a closed session meeting of the Board when the decision is considered and shall not obtain or review a recording or any other nonpublic information regarding the issue. (2 CCR 18702.1)

#### Conflict of Interest under Government Code 1090

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest, the district is barred from entering into the contract. (Government Code 1090; *Klistoff v. Superior Court*, (2007) 157 Cal.App. 4th 469)

A Board member shall not be considered to be financially interested in a contract if his/her interest is a "noninterest" as defined in Government Code 1091.5. One such noninterest is when a Board member's spouse/registered domestic partner has been a district employee for at least one year prior to the Board member's election or appointment. (Government Code 1091.5)

A Board member shall not be considered to be financially interested in a contract if he/she has only a "remote interest" in the contract as specified in Government Code 1091 and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. (Government Code 1091)

Even if there is not a prohibited conflict of interest, a Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which his/her relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

#### Common Law Doctrine Against Conflict of Interest

A Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

#### Rule of Necessity or Legally Required Participation

On a case-by-case basis and upon advice of legal counsel, a Board member with a financial interest in a contract may participate in the making of the contract if the rule of necessity or legally required participation applies pursuant to Government Code 87101 and 2 CCR 18708.

#### Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

#### Gifts

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation except as described in Government Code 89506.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

#### Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession unless the sole or predominant activity of the business, trade, or profession is making speeches
2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

## **Meetings And Notices Board Bylaws**

BB 9320

Meetings of the Governing Board are conducted for the purpose of accomplishing district business. In accordance with state open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide opportunities for questions and comments by members of the public. All meetings shall be conducted in accordance with law and the Board's bylaws, policies, and administrative regulations.

A Board meeting exists whenever a majority of Board members gather at the same time and place to hear, discuss, or deliberate upon any item within the subject matter jurisdiction of the Board or district. (Government Code 54952.2)

A majority of the Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. However, an employee or district official may engage in separate conversations with Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

In order to help ensure the participation of individuals with disabilities at Board meetings, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. (Government Code 54953.2, 54954.1)

### **Regular Meetings**

The Board shall hold one regular meeting each month August through June.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the district's Internet web site. (Government Code 54954.2)

Whenever agenda materials relating to an open session of a regular meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose. (Government Code 54957.5)

## Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members. However, a special meeting shall not be called regarding the salary, salary schedule, or other compensation of the Superintendent, assistant superintendent, or other management employee as described in Government Code 3511.1. (Government Code 54956)

Written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice also shall be posted on the district's Internet web site. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and place of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

## Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

An emergency situation means either of the following: (Government Code 54956.5)

1. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board
2. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist activity, or threatened terrorist act that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the

most recent request for notification must be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time he/she notifies the other members of the Board about the meeting. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

#### Adjourned/Continued Meetings

A majority vote by the Board may adjourn/continue any regular or special meeting to a later time and place that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned to a later time and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held. (Government Code 54955)

#### Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may occasionally convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public.

The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships.

All such meetings shall comply with the Brown Act and shall be held in open session and within district boundaries. Action items shall not be included on the agenda for these meetings.

BB 9321

The Governing Board is committed to complying with state open meeting laws and modeling transparency in its conduct of district business. The Board shall hold closed sessions only for purposes authorized by law. A closed session may be held during a regular, special, or emergency meeting in accordance with law.

Each agenda shall contain a general description of each closed session item to be discussed at the meeting, as required by law. (Government Code 54954.2)

The Board shall disclose in open session the items to be discussed in closed session. In the closed session, the Board may consider only those matters covered in its statement. After the closed session, the Board shall reconvene in open session before adjourning the meeting, and when applicable, shall disclose any action taken in the closed session, in the manner prescribed by Government Code 54957.1. (Government Code 54957.7)

The Board shall not disclose any information that is protected by state or federal law. In addition, no victim or alleged victim of tortious sexual conduct or child abuse shall be identified in any Board agenda, notice, announcement, or report required by the Brown Act, unless the identity of the person has previously been publicly disclosed. (Government Code 54957.7, 54961)

A Board member shall not disclose confidential information received in a closed session unless the Board authorizes the disclosure of that information. (Government Code 54963)

### **Personnel Matters**

The Board may hold a closed session to consider the appointment, employment, evaluation of performance, discipline, or dismissal of an employee. Such a closed session shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline. (Government Code 54957)

The Board may also hold a closed session to hear complaints or charges brought against an employee by another person or employee, unless the employee requests an open session. Before the Board holds a closed session on specific complaints or charges brought against an employee, the employee shall receive written notice of his/her right to have the complaints or charges heard in open session if desired. This notice shall be delivered personally or by mail at least 24 hours before the time of the session. (Government Code 54957)

The Board may hold a closed session to discuss a district employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Agenda items related to district employee appointments and employment shall describe the position to be filled. Agenda items related to performance evaluations shall specify the title of the employee being reviewed. Agenda items related to employee discipline, dismissal, or release require no additional information. (Government Code 54954.5)

#### Negotiations/Collective Bargaining

Unless otherwise agreed upon by the parties involved, the following shall not be subject to the Brown Act: (Government Code 3549.1)

1. Any meeting and negotiating discussion between the district and a recognized or certified employee organization
2. Any meeting of a mediator with either party or both parties to the meeting and negotiating process
3. Any hearing, meeting, or investigation conducted by a factfinder or arbitrator
4. Any executive (closed) session of the district or between the district and its designated representative for the purpose of discussing its position regarding any matter within the scope of representation and instructing its designated representatives

The Board may meet in closed session to review the Board's position and/or instruct its designated representative regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees. Any closed session held for this purpose may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. (Government Code 54957.6)

For represented employees, the Board may also meet in closed session regarding any other matter within the statutorily provided scope of representation. (Government Code 54957.6)

Closed sessions may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees. For unrepresented employees, closed sessions held pursuant to Government Code 54957.6 shall not include final action on the proposed compensation of one or more unrepresented employees. (Government Code 54957.6)

The Board also may meet in closed session with a state conciliator or mediator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Agenda items related to negotiations shall specify the name of the district's designated representative(s) attending the closed session. If circumstances necessitate the absence of a specified designated representative, an agent or designee may participate in place of the absent

representative as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the organization representing the employee(s) or the position title of the unrepresented employee who is the subject of the negotiations. (Government Code 54954.5)

#### Matters Related to Students

The Board shall meet in closed session to consider the expulsion of a student, unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board may meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

The Board shall meet in closed session to address any student matter that may involve disclosure of confidential student information, or to consider a suspension, disciplinary action, or any other action against a student except expulsion. If a written request for open session is received from the parent/guardian or adult student, it will be honored to the extent that it does not violate the privacy rights of any other student. (Education Code 35146, 48912, 49070)

Agenda items related to student matters shall briefly describe the reason for the closed session, such as "student expulsion hearing" or "grade change appeal," without violating the confidentiality rights of individual students. The student shall not be named on the agenda, but a number may be assigned to the student in order to facilitate record keeping. The agenda shall also state that the Education Code requires closed sessions in these cases in order to prevent the disclosure of confidential student record information.

#### Security Matters

The Board may meet in closed session with the Attorney General, district attorney, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. (Government Code 54957)

The Board may meet in closed session during an emergency meeting held pursuant to Government Code 54956.5 to meet with law enforcement officials for the emergency purposes specified in Government Code 54957 if agreed to by a two-thirds vote of the Board members present. If less than two-thirds of the members are present, then the Board must agree by a unanimous vote of the members present. (Government Code 54956.5)

Agenda items related to security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult. (Government Code 54954.5)

## Conference with Real Property Negotiator

Attorney General opinions are not binding, they are accorded deference by the courts.\*\*\*

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s) and the property under negotiation and to specify the person(s) with whom the negotiator may negotiate. (Government Code 54956.8)

For purposes of real property transactions, negotiators may include members of the Board. (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both. (Government Code 54954.5)

## Pending Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding a pending litigation when a discussion of the matter in open session would prejudice the district's position in the litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" in any of the following circumstances: (Government Code 54956.9)

1. Litigation to which the district is a "party" has been initiated formally. (Government Code 54956.9(a))
2. A point has been reached where, in the Board's opinion based on the advice of its legal counsel regarding the "existing facts and circumstances," there is a "significant exposure to litigation" against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(b))

Existing facts and circumstances for these purposes are limited to the following: (Government

Code 54956.9)

- a. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiffs and which do not need to be disclosed.
  - b. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiffs and which must be publicly disclosed before the closed session or specified on the agenda.
  - c. The receipt of a claim pursuant to the Tort Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.
  - d. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.
  - e. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection. Such record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat on his/her behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.
3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(c))

Before holding a closed session pursuant to the pending litigation exception, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9(a), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to pending litigation shall be described as a conference with legal counsel regarding either "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties, or case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(b) and shall specify the potential number of cases. When the district

expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(c) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information regarding existing facts and circumstances described in item #2 b-e above. (Government Code 54954.5)

#### Joint Powers Agency Issues

The Board may meet in closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board may meet in closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the JPA. During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96)

The Board member may also disclose the confidential JPA information to district legal counsel in order to obtain advice on whether the matter has direct financial or liability implications for the district. (Government Code 54956.96)

Closed session agenda items related to conferences involving a JPA shall specify the closed session description used by the JPA and the name of the Board member representing the district on the JPA board. Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included. (Government Code 54954.5)

#### Review of Audit Report from Bureau of State Audits

Upon receipt of a confidential final draft audit report from the Bureau of State Audits, the Board may meet in closed session to discuss its response to that report. After public release of the report from the Bureau of State Audits, any Board meeting to discuss the report must be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Closed session agenda items related to an audit by the Bureau of State Audits shall state "Audit by Bureau of State Audits." (Government Code 54954.5)

#### Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment

instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

## **Agenda/Meeting Materials Board Bylaws**

BB 9322

### **Agenda Content**

Governing Board meeting agendas shall state the meeting time and place and shall briefly describe each business item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before consideration of the item. The agenda shall also provide members of the public an opportunity to testify at regular meetings on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (Education Code 35145.5; Government Code 54954.3)

Each meeting agenda shall list the address designated by the Superintendent or designee for public inspection of agenda documents that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54957.5)

The agenda shall specify that an individual should contact the Superintendent or designee if he/she requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting. (Government Code 54954.2)

### **Agenda Preparation**

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting. Each agenda shall reflect the district's vision and goals and the Board's focus on student learning.

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board president and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation.

The Board president and Superintendent shall decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote, an information item that does not require immediate action, or a consent item that is routine in nature and for which no discussion is anticipated.

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

#### Consent Agenda/Calendar

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent agenda items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval.

When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item that has not been previously considered. However, the agenda need not provide an opportunity for public comment when the consent agenda item has previously been considered at an open meeting of a committee comprised exclusively of all the Board members provided that members of the public were afforded an opportunity to comment on the item at that meeting, unless the item has been substantially changed since the committee considered it. (Government Code 54954.3)

#### Agenda Dissemination to Board Members

At least three days before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, citizens, and others; and other available documents pertinent to the meeting.

When special meetings are called, the Superintendent or designee shall make every effort to distribute the agenda and supporting materials to Board members as soon as possible before the meeting.

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

The Superintendent or designee may also post the document on the district's web site in a position and manner that makes it clear that the document relates to an agenda item for an upcoming meeting. (Government Code 54957.5)

Any document prepared by the district or Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. ## **Meeting Conduct Board Bylaws**

BB 9323

### **Meeting Procedures**

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 7:30 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date.

### **Quorum and Abstentions**

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

### **Public Participation**

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5, Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action

or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5, Government Code 54954.2)

3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed three minutes to address the Board on each agenda or nonagenda item. The Board shall limit the total time for public input on each item to 20 minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

6. The Board president may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.

The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3) In addition, the Board may not prohibit public criticism of district employees.

Whenever a member of the public initiates specific complaints or charges against an employee, the Board president shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code 54957. The Board president shall also encourage the complainant to file a complaint using the appropriate district complaint procedure.

7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the president to terminate the privilege of addressing the Board.

The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Superintendent or designee shall contact local law enforcement.

#### Recording by the Public

The Superintendent or designee shall designate locations from which members of the public may broadcast, photograph, or tape record open meetings without causing a distraction.

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

### **Challenging Board Actions**

The district attorney's office or any interested person may file an action in court to stop or prevent the Board's violation or threats of violations of the Brown Act, to determine the applicability of the Brown Act to ongoing or future threatened Board actions, to determine the validity, under California or federal law, of any Board rule or action to penalize any of its members or otherwise discourage the member's expression, or to compel the Board to audio record its closed sessions because of its violation of any applicable Government Code provision.

(Government Code 54960)

The district attorney or any interested person may present a demand that the Board cure and correct a Board action which he/she alleges is in violation of law regarding any of the following: (Government Code 54960.1)
