## **ARTICLE I - RECOGNITION**

### **1.01 Recognition**

- A. The Mount Gilead Board of Education, hereinafter referred to as the "Board" hereby recognizes the Mount Gilead Teachers' Association, hereinafter referred to as the "Association," an affiliate of the Ohio Education Association, and the National Education Association, as the exclusive representative for all members of the bargaining unit as defined below for the purposes of collective bargaining as defined in Chapter 4117 of the Ohio Revised Code and all other employment-related matters. Recognition of the Association shall continue in full force and effect until such time as a challenging employee organization is successful in gaining exclusive representative status in strict adherence to the provision of RC 4117.05 and 4117.07.
- B. The bargaining unit is defined as all certificated personnel including regular classroom teachers, intervention specialists, speech-hearing therapists, librarians, guidance counselors, and full-time tutors and attendance officer(s) if said individuals hold a valid teaching certificate. Excluded from the bargaining unit are non-certificated personnel, substitutes, tutors (less than 4 hours), all certificated administrators by contract, and any other personnel as excluded under 4117.01 (C) 1-14 ORC.

Full-time tutors are defined as four (4) hours or more a day.

- C. The term teacher as used in this Agreement shall refer to members of the bargaining unit.

## **ARTICLE II - PROCEDURES FOR CONDUCTING NEGOTIATIONS**

### **2.01 Scope**

All matters pertaining to wages, hours and terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of this Agreement.

### **2.02 Submission of Issues**

Requests - Requests for negotiations shall be submitted in writing by the Association to the superintendent, or his/her designated representative, or by the superintendent to the president of the Association or his/her designated representative at least sixty (60) days prior to the expiration date of the Agreement. The first negotiations session shall be arranged by mutual agreement and shall take place within fifteen (15) days of the initial request unless otherwise mutually agreed.

Exchange of Proposals - At the first negotiations session, complete proposals shall be exchanged and future bargaining dates will be established. Upon submission of said proposals no additional items shall be submitted for negotiations except by mutual consent.

### 2.03 Negotiating Teams

Each party shall have the full authority to choose its own negotiating members. The Board and the Association shall be represented at all negotiating meetings by a team of negotiators not to exceed five (5) members each. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course of negotiations. All negotiations shall be conducted exclusively between said teams.

The parties may call upon professional and lay consultants to assist in all negotiations. The expense of such consultants shall be borne by the party requesting them.

### 2.04 Negotiation Meetings

The negotiating teams shall meet for the purpose of affecting a free exchange of facts, opinions, proposals, and counterproposals in a sincere effort to reach mutual understanding and agreement on those matters submitted for negotiations. All parties are obliged to deal openly and fairly with each other on all matters to conduct such negotiations in "good faith," but such obligation does not compel either party to agree to a proposal or require the making of a concession. All meetings shall be scheduled by mutual agreement as to time, place, and date for the next meeting established before adjournment of each meeting.

Negotiation meetings will not exceed three (3) hours in length unless extended by mutual agreement.

### 2.05 Caucus

Either team may request caucuses of up to thirty (30) minutes each during negotiations, unless the time is extended by mutual consent.

### 2.06 Exchange of Information

Upon request each party will provide the other all available information pertinent to the issues under negotiations which is considered a public record.

### 2.07 Progress Report

During negotiations any releases to the news media shall be jointly issued. Such releases shall be in writing and both parties shall approve of the news release prior to its dissemination.

### 2.08 Agreement

When tentative agreement is reached on those matters being negotiated, the understanding of the parties shall be reduced to writing and signed with the approval of the negotiating teams.

This tentative agreement shall be submitted simultaneously to both the Association and the Board. Upon receipt of said tentative agreement, the Association shall have a maximum

of ten (10) calendar days during the school year and thirty (30) calendar days during the summer recess to act on the agreement. In no case shall the Board take action prior to the Association. The Board shall have a maximum of thirty (30) calendar days to act on the agreement after the Association has taken action.

Both parties shall act upon the entire tentative agreement as a whole.

#### 2.09 Impasse Procedures

- A. If an agreement has not been reached, either party may declare impasse and request that an impartial mediator be appointed. The mediator may be selected by agreement between the parties. If agreement on the mediator is not reached within five (5) days after the call for mediation, the Federal Mediation and Conciliation Service shall be jointly requested to appoint a mediator, and the selection shall be in accordance with the rules of the Federal Mediation and Conciliation Service (FMCS).
- B. The mediator shall have the right to hold meetings with the negotiating parties in seeking to affect a resolution to the disagreement(s) in accordance with the rules and regulations of the FMCS. Mediation shall continue until the mediator, after consultation with the parties, determines that ultimate impasse has been reached.
- C. Pursuant to Section 4117.14(C)(1) and 4117.14(E) of the Revised Code, the parties have established this mutually agreed upon dispute resolution procedure which supersedes the procedures listed in Section 4117.14(C)(2)-(6) and any other procedures to the contrary. This article does not diminish or preclude the Association rights under Section 4117.14(D)(2), provided the procedures herein have been followed.

#### 2.10 Renegotiation of Agreement

The parties acknowledge that during negotiations, which resulted in this Contract, each had the opportunity to make proposals, and that the understandings and agreements arrived at by the parties after the exercise of that opportunity are set forth in this Contract. Therefore, for the life of this Contract, the Board and the Association each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to negotiate with respect to any subject matter not specifically referred to or covered in this Contract, unless otherwise mutually agreed.

#### 2.11 Further Terms of Agreement

Any agreement reached and accepted by the Association and the Board shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to terms of the Agreement.

## 2.12 Consistency With Law

If any provision of an agreement between the Board and the Association shall be found contrary to law, then such provision or application shall not be deemed to be valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

## 2.13 Management Rights

The Board hereby retains and reserves unto itself all powers, rights and authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio, and of the United States.

Such powers, rights, duties and responsibilities shall be limited only by the specific and express terms of this Agreement.

# ARTICLE III - GRIEVANCE PROCEDURE

## 3.01 Scope

- A. A grievance is defined as an alleged violation or misinterpretation or misapplication of the negotiated agreement. Grievant is defined as any employee of the Mount Gilead School District or the Mount Gilead Teachers' Association.
- B. An identical grievance by two or more teachers in one school shall be considered as a single grievance. A decision on such grievance applies to all teachers in the group and each shall be given a copy of the decision. A teacher may withdraw from a group grievance, in writing, any time before a decision is rendered; however, the teacher then waives the right to initiate the same grievance. The maximum number of grieved teachers that may attend any meetings or hearings conducted for the resolution of a group grievance shall be equal in number to the Board and their representative(s).
- C. Day means workday during the regular school year. During the summer months, day means a day that the Board office is open.

## 3.02 Processing Grievances

- A. The proceedings will be kept as informal and confidential as possible at any level of this procedure. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Failure to initiate a grievance within the time limits shall render the grievance waived.
- B. It is understood that teachers shall, during the proceedings of any grievances, continue to observe all assignments and applicable rules and regulations of the

negotiated contract until such grievance and any effect thereof shall be fully determined.

- C. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process.
- D. Any teacher who has a complaint shall discuss it first with the person who he/she feels is responsible for the complaint in an attempt to resolve the matter informally at that level.

### 3.03 Formal Procedure

#### A. Level One

- 1. If not resolved within ten (10) days after the occurrence of the incident which is the subject of the grievance, the teacher will reduce the grievance to writing and present it to the building principal.
- 2. Within three (3) days after the grievance is submitted, the building principal will discuss the grievance with the teacher involved and attempt to resolve it. If the teacher requests, the teacher may be accompanied by a member (school employee) of the MGTA Executive Committee. The accompanying individual may not be a blood relative or related through marriage. The principal may be accompanied by another administrator, and the Association representative will be present to advise and counsel the respective parties. Board of Education is notified of the grievance issue and the administrative decision at each step in the formal grievance procedure.
- 3. Within three (3) days after the meeting, the principal shall communicate his/her decision to the teacher and the superintendent in writing with reasons.

#### B. Level Two

- 1. Within five (5) days after receipt of the decision, the teacher may appeal the principal's decision to the superintendent if the teacher is not satisfied. The appeal to the superintendent must be made in writing reciting the matter submitted to the principal, and the teacher's reasons for dissatisfaction with the principal's decision, which may carry with it the recommendation of the Mount Gilead Teachers' Grievance Committee.
- 2. Within five (5) days after the appeal is submitted, the superintendent will discuss the grievance with the teacher and principal involved and attempt to resolve it. If the teacher requests, the teacher may be accompanied by a member of the MGTA Executive Committee as defined in Level One, and/or a qualified consultant from another source outside the Teachers' Association. The principal may be accompanied by another administrator as defined in Level One, and/or a qualified consultant from another source outside the school system.

3. Within three (3) days after the meeting, the superintendent shall communicate his/her decision to the grievant and the principal in writing with reasons.

C. Level Three

Within ten (10) days after receipt of the superintendent's decision, the parties may mutually agree to submit the matter to mediation through FMCS. The request shall be submitted to the superintendent within ten (10) days of his/her decision.

D. Level Four

If the teacher, with the concurrence of the Mount Gilead Teachers' Association, is not satisfied with the decision provided at Level Two and mediation is not agreed upon, he/she may within ten (10) days, submit the grievance to arbitration through the American Arbitration Association (AAA) whose rules and regulations shall likewise govern the proceedings. If mediation is attempted and is unsuccessful, the appeal shall be perfected within ten (10) days of the conclusion of mediation. The notice of appeal shall be filed with AAA and the Superintendent. The arbitrator may not add to, alter, or delete from the terms of Board policy or terms of the negotiated items. The arbitrator shall have all power and remedies within lawful statutes to render an award which shall be binding on the parties. Neither Party may raise any claims at arbitration that were not raised during the previous levels of the grievance procedure. In cases where the arbitrability of an issue is questioned, the matter of arbitrability shall be ruled upon by the arbitrator in an expedited fashion prior to a ruling by the arbitrator on the merits of the issue. The cost for the services of the arbitrator will be borne by the party that loses the grievance. In an incidence where the arbitrator sides in part with both parties, the arbitrator will establish the cost to be borne by both the Board and the Association.

## **ARTICLE IV - BOARD AND ASSOCIATION RIGHTS**

### **4.01 Board and Association Rights**

- A. The Association shall be the exclusive representative of all teachers in the bargaining unit. Therefore, the rights and privileges contained in this article shall not be extended to any rival employee organization.
- B. The Board shall provide the name(s) and address(es) of newly employed teachers in the bargaining unit within two (2) weeks following Board approval of their contract.
- C. A notice of time, date and place of Board meetings, copies of job opening notices, Board minutes and agenda shall be sent to the Association president.
- D. The Association shall be allowed the use of the mailboxes of teachers for Association business.

- E. The Association president or designee shall be allowed to make announcements at the end of staff meetings with prior approval of the principal or superintendent.
- F. The Association shall have the right to hold meetings in school buildings consistent with Board policy on the use of school facilities. There shall be no rental charge assessed the Association but the Association will be responsible for care of the facilities as any group would be who uses school facilities. Use of school facilities requires the prior approval of the principal and superintendent.
- G. The Association shall have the use of bulletin boards designated by the building principal to post reasonable notices.
- H. The Association and/or its representative(s) may conduct business on school property during school hours provided such business does not interfere with the educational program and the representative will report to the office upon entering the building.
- I. The Association shall have the exclusive right to payroll deductions of dues.

The Employer agrees to deduct from the wages of any employee-member of the Association, the dues, initiation fees, and assessments of the Union, upon presentation of a written deduction authorization from any member of the Association. This deduction shall be without cost to the Association or the member.

Deductions of the annual dues and assessments will be made in as nearly equal pay period installments during the school year and in an amount determined by the Union. Deductions shall begin with the first pay period in October and continue for 16 pays. Any member hired or becoming eligible for membership after October 1 shall be entitled to payroll deduction of dues on a schedule determined by the Association Treasurer and the individual member.

All monies deducted for such purposes shall be promptly transmitted to the Association by check. Accompanying each check will be a complete listing of names of the members for which a payroll deduction was made.

In the event an employee severs employment, the District Treasurer shall deduct all owed and remaining dues from the employee's final check. If an employee cancels his/her membership outside of the cancellation period defined in this Contract (Article 5.03(B)), the District Treasurer shall deduct all owed and remaining dues from the employee's second check immediately following such notification.

A member who wishes to cancel payroll deduction of dues may do so by notifying the Association Treasurer and District Treasurer, in writing, not less than two (2) weeks prior to the effective date of the payroll change.

#### 4.02 Professional Organizations

Except as specified in Article IV, Section 4.02, teachers shall have the right to join, or not to join, any teacher organization, and membership in any organization shall not be a condition of employment or continued employment in the Mount Gilead Exempted Village

School District, nor shall any teacher be assessed any fee or otherwise be required to give financial support to any organization of which such teacher is not a member. This does not preclude a non-member teacher from making a voluntary contribution to the recognized teacher association to help defray the costs of negotiations.

- H. Employees granted a leave of absence have reinstatement rights consistent with sound educational practice in the discretion of the superintendent. While every effort will be made to reinstate the teacher to his/her teaching assignment immediately preceding his/her leave, the superintendent holds the responsibility and discretion to make all grade and subject assignments. Teachers who are granted a leave of absence will not be considered to have had their continuous service broken, but their leave of absence period will not be counted as a year's service for salary credit experience or for other seniority reasons.

one-year contract, a two-year contract, and then a three-year contract. A one-year probationary contract may be issued to any teacher upon the expiration of his/her current limited contract if the teacher has been properly evaluated in accordance with the adopted evaluation procedure and the principal and/or superintendent believe the teacher is in need of further improvement. The evaluation will identify, in writing, any deficiencies noted in the teacher's classroom performance and provide written positive suggestions for improvement within a specified time frame.

The issuance of this type of probationary contract shall serve warning to the teacher that his/her classroom performance will be closely monitored during this probationary period with future employment dependent upon improvement of the deficiencies as defined during the evaluation process.

**B. Continuing Contract Eligibility**

If a teacher anticipates becoming eligible for a continuing contract during a year when he/she is being considered for a new contract, the teacher shall notify their respective building administrator, in writing, by October 15.

Failure of the teacher to meet this deadline/requirement shall be a waiver of the teacher's eligibility for the continuing contract for the following school year and may result in the staff member being issued a one (1) year limited teaching contract for the following school year rather than a continuing contract. Notice received after October 15 shall not serve as the notice required by this section for the following school year.

Nothing herein limits the Board from issuing a continuing contract to a teacher who misses the notifications should the Board decide to do so.

Upon receiving the notice from a teacher that he/she is eligible for continuing contract, and after having completed the evaluations of the teacher, if the Board believes that the teacher is in need of further professional development, the superintendent may recommend the issuance of a one-year extended limited contract to the teacher. If the superintendent intends to recommend an extended limited contract, the superintendent must advise the teacher, in writing, of the reasons for this recommendation, and shall meet with the teacher upon the teacher's request. Should the teacher be employed under an extended limited contract pursuant to this section, and the teacher is reemployed following the issuance of that extended limited contract, the teacher shall be employed under a continuing contract.

In the event a teacher becomes eligible for a continuing contract during the term of a multi-year contract he/she may be considered by the Board for a continuing contract. This consideration will be available only once per school year at the regular May Board meeting. No cause will be shown or reason given for denying this consideration, but the teacher may discuss the situation with the superintendent.

The teacher may withdraw the request for continuing contract at any time up to the Board action on the request. Except as otherwise provided herein, continuing contracts shall be granted in accordance with Ohio Revised Code.

The provisions of this section are intended to, and shall supersede and replace any conflicting provisions of Ohio Revised Code sections 3319.07, 3319.08, 3319.11, 3319.111, 3319.22, Chapter 3301-24 of the Ohio Administrative Code and any and all other provisions of the Ohio Revised Code or Ohio Administrative Code governing the issuance and granting of continuing contracts.

C. Supplemental Contracts

Supplemental contracts shall be set forth in a limited contract of one (1) year. A member of the bargaining unit offered a supplemental contract shall execute and return such contract to the treasurer of the Board within fourteen (14) calendar days. Extended service contracts shall be supplemental contracts pursuant to this provision.

D. Necessary Certification & Licensure

The Board will not hire any full-time employee who does not possess the necessary certification/licensure for the position for which he/she is being hired. For the purpose of this section, temporary certification/licensure will also qualify as necessary certification/licensure. Only properly certified/licensed teachers as defined in ORC 3319 may be employed to provide instruction to students, and this designation shall be reflected in EMIS. No paraprofessionals/educational aides may be employed to provide instruction to students which includes independent lesson planning and assignment of grades.

The second formal observation with walkthroughs will be conducted no later than April 1 for those teachers who are being fully evaluated and will be focused on two (2) areas. For teachers in the final year of a limited contract whose contracts are being considered for renewal/nonrenewal, the third observation will occur no later than April 30.

#### Formal Observation Procedure

At a teacher’s request, all formal observations may be preceded by a conference mutually agreed upon between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed. The teacher’s request shall not be unreasonably denied.
2. A post-observation conference shall be held after each formal observation.

### Informal Observation/Classroom Walkthrough Procedure

A walkthrough is a formative assessment process that focuses on one (1) or more of the following components and results in brief written notes or a summary:

1. Focus for Learning
2. Knowledge of Students
3. Lesson Delivery
4. Classroom Environment
5. Assessment of Student Learning
6. Professional Responsibilities

A walkthrough shall consist of at least three (3) consecutive minutes, but not more than ten (10) consecutive minutes in duration. The walkthrough should be of sufficient duration to allow the evaluator to assess the focus of the walkthrough.

1. Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.
2. A final debriefing and completed form must be shared with the employee within a reasonable amount of time.

### Assessment of Student Growth

In determining student growth measures, the Board adopts the Ohio Department of Education's Ohio Teacher Evaluation System (OTES), which calculates student growth by assessing achievement for an individual student occurring between two (2) points in time. It is important to note that a student who has forty-five (45) or more absences for the school year will not be included in the determination of student academic growth.

When an approved Ohio Department of Education vendor assessment is utilized in the measurement of student growth, it will be included in the evaluation process.

### Final Evaluation Procedures

Each teacher's performance rating will be combined with the assessment of student growth measures and any other locally determined alternative measures to produce the summative evaluation rating, based upon the criteria developed by the Ohio Department of Education.

The evaluator shall provide that each evaluation is submitted to the teacher for his/her acknowledgement by written receipt. If signed, by the teacher, the receipt is to be sent to the Superintendent as soon as received.

### High Quality Student Data (HQSD)

1. All evaluations shall contain two (2) measures of high-quality student data (HQSD). When applicable to the grade level or subject area taught by the teacher being evaluated, HQSD shall include the value-added progress dimension as one (1) source of HQSD.
2. When utilizing vendor assessments to construct HQSD, all related teacher, student and other educational materials shall be purchased, and all affected staff shall be trained on utilization of the assessment program.
  - a. All new vendor assessments shall be piloted prior to being used as a source of HQSD, subject to the following:
    - i. Participation in the pilot is voluntary
    - ii. All teachers and credentialed evaluators will be trained on the vendor assessment at the beginning of the pilot.
    - iii. Teachers participating in the pilot shall be provided time to train, meet, and reflect on the vendor assessment each year of the pilot.
3. HQSD shall be used as evidence in any component of the teacher's evaluation related to the following:
  - a. Knowledge of the students to whom the teacher provides instruction;
  - b. The teacher's use of differentiated instruction practices;
  - c. Assessment of student learning;
  - d. The use of assessment data;
  - e. Professional responsibility and growth.
4. Locally developed instruments measuring student growth will be developed in TBTs.

### Professional Growth Plans and Professional Improvement Plans

1. Professional growth and improvement plans shall be developed and submitted to the assigned evaluator by October 15 as follows:
  - a. Teachers whose evaluation rating is Accomplished shall develop a self-directed plan for continuing professional growth.

- b. Teachers whose evaluation rating is Skilled shall develop a professional growth plan collaboratively with his/her credentialed evaluator.
  - c. Teachers whose evaluation rating is Developing shall develop a professional growth plan with their assigned evaluator.
  - d. Teachers whose evaluation rating is Ineffective shall develop a professional improvement plan with their assigned evaluator.
  - e. Teachers placed on an Improvement Plan due to deficiencies in an individual component of the evaluation system shall develop a professional improvement plan with their evaluator.
2. Professional growth and improvement plans shall be aligned to the teacher's evaluation and, if applicable, include one (1) component of the District's or Building level improvement plan required under the "Elementary and Secondary Education Act of 1965", as amended.
  3. No Improvement Plan or Professional Growth Plan will have more than two (2) achievable goals per Evaluation Cycle.
  4. The improvement plan shall include:
    - a. Specific, measurable instructional practices to be observed;
    - b. Specific, evidence-based resources, and assistance to be provided;
    - c. Clearly articulated timelines for the completion of the plan; and
    - d. A description of the specific supports that will be provided as well as opportunities for professional development.

#### Board Professional Development Plan

In accordance with the Ohio State Board of Education's State-wide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of teachers covered by this policy. The plan will be reviewed annually.

#### Retention and Promotion Decisions/Removal of Poorly Performing Teachers

It is the purpose of this Standards-Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

## Definitions:

**“Retention”** – for purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, nonrenew a limited or extended limited contract, or terminate employment for good and just cause. In the case of a reduction in force, seniority will not be considered when making decisions on contract suspensions, except in the instance of comparable evaluations. The decision to nonrenew or terminate the contract of a poorly performing teacher may be informed by the evaluation(s) conducted under this policy. However, decisions to nonrenew or terminate a teaching contract are not limited by the existence of this policy.

**“Promotion”** – as used in this context is of limited utility given the fact that teachers covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining department or grade level chairpersons, selections to curricular or strategic planning bodies, or teaching assignments, the Board will consider teacher performance as indicated by evaluations.

**“Poorly Performing Teachers”** – refers to teachers identified through the evaluation process set forth in this policy who demonstrate an inability and/or unwillingness to meet the reasonable expectations of this standards-based evaluation system.

**“Comparable Evaluations”** – since seniority may not be the basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable evaluations, this refers to teacher within the categories of “Ineffective,” “Developing,” “Skilled,” and “Accomplished.”

## Removal of Poorly Performing Teachers

Removal of poorly performing teachers will be in accordance with the nonrenewal and termination statutes of the Ohio Revised Code.

Nothing in this policy will be deemed to prevent the Board from exercising its rights to nonrenew, terminate, or suspend a teacher contract as provided by law and the terms of the collective bargaining agreement in effect between it and the Mount Gilead Teachers’ Association (MGTA). The evaluation system and procedures set forth in this policy shall not create an expectation of continued employment for teachers on a limited contract that are evaluated under this policy. The Board reserves the right to nonrenew a teacher evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the teacher’s summative rating.

## School Counselor

Pursuant to R.C. 3319.113, all bargaining unit members meeting the statutory definition of school counselor shall be evaluated in accordance with the Board-adopted evaluation policy, “Standards-Based School Counselor Evaluation System” (Appendix F of this Agreement) and any memoranda of understanding entered into by the parties. “Pinning” the evaluation documents on the eTPES

system equates to a signature and digital access equates to providing a written copy to the bargaining unit member.

#### Other Bargaining Unit Members

Bargaining unit members who do not meet the statutory definition of teacher or counselor shall be evaluated according to this Article. Those members shall be observed and evaluated using the same frequency for OTES teachers as set forth in the Board adopted evaluation policy and any memoranda of understanding entered into by the parties. Timelines for the evaluation of these bargaining unit members are noted in Appendix H.

It is agreed that any complaints regarding violations of either this Article or the Board adopted evaluation policy shall be subject solely to the grievance procedure contained in this Agreement and shall supersede and replace conflicting provisions of any evaluation requirements of Ohio Revised Code Section 3319.11 with which this provision is in conflict.

#### F. Committee Work

Each member of any building or district committee that meets outside of the regular work day will be paid at the negotiated hourly rate. The parties will agree on a list of such committees at the beginning of each school year. If additional committees are added throughout the year, they will automatically be included.

### 7.02 Vacancy/Transfer and Promotion

#### A. Letter of Intent Form

On or before February 1 of each year, the superintendent will distribute a letter of intent form to each teacher. The form will be designed to survey the interests of the teacher for the next school year (desire for a vacancy/transfer and/or promotion to a different class, grade level, building, position, including administrative positions, etc.). The completed form must be returned to the superintendent on or before March 15 of each year.

#### B. Notification of Assignment

Each teacher shall be notified of his/her grade level and/or subject assignment and building assignment for the next school year as soon as possible, but no later than June 30. A change in assignment made after that date shall be considered an "involuntary transfer" as provided herein.

#### C. Vacancy

1. Vacancies in teaching positions, if they are to be filled, shall be e-mailed to each staff member at the district e-mail account prior to the positions being filled. The position shall remain open for at least five (5) days prior to the position being filled. Administrative postings shall be sent to teachers who

indicated interest in such postings on the letter of intent form and to the MGTA president.

2. Extended sick leave or unpaid leaves of absence are not considered vacancies.
3. All notices will contain a cutoff date for application from within the district.
4. This section shall be applicable except for vacancies that occur after June 30 and before September 1. From July 1 through July 31, there shall be no minimum length of posting prior to the position being filled. From August 1 through August 31, vacancies shall be posted for one (1) day.

D. Voluntary Transfer and Promotion

Teachers who desire a change in assignment may indicate such on the letter of intent form. Should a vacancy occur which reflects the desired change, said teacher will be considered for the position. The teacher must be or will be properly certificated by the effective date of the position considered.

If a teacher is not awarded a position after he/she has submitted a letter of intent form, he/she may submit a written request to the superintendent for the reason(s) why he/she was not transferred and/or suggestions for possible ways to improve qualifications for subsequent vacancies. The right to such a request shall not be construed to limit in any way the discretion of the superintendent to assess the qualifications of teachers.

E. Involuntary Transfer

An involuntary transfer shall mean a change in a teacher's assignment without the teacher's consent. The teacher may request, in writing, a meeting with the superintendent or his/her designee and an association representative to discuss the reason(s) for the transfer. No teacher shall be transferred to a position for which he/she does not hold certification.

F. Supplemental Positions

All supplemental positions that the Board intends to fill shall be posted annually as follows:

Fall Coaching positions:	By April 5
Winter Coaching positions:	By August 5
Spring Coaching positions:	By December 5
Co-curricular positions:	By the end of the school year

7.03 Teacher Contract Year

- A. The regular teacher contract shall be written to include up to one hundred eighty-five (185) full days. At least one (1) day shall be scheduled prior to the opening day of instruction, one (1) day shall be scheduled at the end of the first semester,

and at least one (1) day shall be scheduled after the final day of instruction. Open House will not be scheduled during a day set aside as a Teacher Work Day. All teachers new to the district will be required to attend one (1) additional day of teacher orientation prior to the first teacher workday. The actual calendar dates shall not be subject to the negotiations process and shall be determined by the Board with recommendations made by the superintendent. Changes in the calendar due to reasons of calamity will also not be subject to the negotiations process.

- B. If a teacher is required to assist in moving from one building or classroom to another outside of the regular work day or school year, he/she shall be paid at the hourly rate for up to ten (10) hours. Teachers will be required to verify the hours worked.
- C. If any additions or changes in existing extended contracts are being considered by the Board of Education, the Mount Gilead Teachers' Association will be requested to provide input prior to a final decision.
- D. Any changes that may be proposed that would change the traditional school calendar to a balanced school calendar would need to be approved by the majority of the members of the Mount Gilead Teachers' Association and by a four-fifths vote of the Board of Education.
- E. Teachers who are required to write IEPs shall be released from their classroom duties for two (2) work days per year to help complete this work. A substitute teacher will be provided at district expense and the scheduling will be coordinated with the building administrator.

#### 7.04 Length of School Day

- A. Unless the school day is extended a maximum of 1.25 hours per day for calamity days in accordance with the Ohio Revised Code, the length of the school day shall be as follows:
  - 1. The elementary student day (K-5) shall be a maximum of six (6) hours and forty (40) minutes including the noon recess and lunch.

The teacher workday shall extend an additional fifty (50) minutes for planning and conference time (suggested fifteen [15] minutes before students arrive and thirty-five [35] minutes after the dismissal bell). This time may be assigned by the building principal in order to protect the safety and welfare of students.
  - 2. The middle and high school student day (6-12) shall be a maximum of seven (7) hours including the lunch period. The teacher workday shall extend an additional thirty (30) minutes for planning and conference time (suggested fifteen [15] minutes before the tardy bell and fifteen [15] minutes after the dismissal bell). This time may be assigned by the building principal in order to protect the safety and welfare of students.

- B. Each full-time teacher shall have at least a thirty (30) minute continuous and uninterrupted lunch period each day. The teacher may leave the building during the 30 minute period with approval of the principal or designee.
- C. Each full-time teacher shall have at least a forty (40) minute continuous and uninterrupted duty-free planning and conference period each school day. Both parties acknowledge that on days when the start of school is delayed or on those days when school is released early, the planning time contemplated herein may not be available.
- D. The Board expressly retains the right to determine the number and/or length of class periods consistent with the provisions contained herein.
- E. Efforts will be made not to schedule two (2) parent-teacher conference evenings during the same week and not prior to a holiday.
- F. The number of hours for parent-teacher conferences will be consistent across the school district.
- G. With respect to Section 7.04, Length of School Day, the parties agree to the following:
  - 1. The term "school day" is defined as the hours a teacher is required to be in the building.
  - 2. The term "student day" is defined as the hours in which a teacher is required to be responsible for students.
  - 3. "Student supervision" is defined as any hours a teacher is responsible for students other than during class time, i.e., before and after school.
  - 4. If teachers in a building feel that the current scheduling practices of student supervision is unequal and does not allow for the efficient use of planning time, they may request a meeting with the building representative and the building principal to discuss adjustment and/or equalization of student supervision time. Additional persons may be requested to be involved in the meeting. Changes and adjustments to scheduling practices will be communicated in a staff meeting or by a memorandum to all staff.

Every effort will be made to provide two weeks' advance notice (verbal or written) of school activities occurring outside of the school day.

Attendance shall not be mandatory but shall be paid at the hourly rate.

Each staff member shall be required to attend one staff meeting no more than forty-five (45) minutes in length each month. One week's notification will be provided if a teacher's meeting will begin more than 30 minutes prior to the beginning of the teacher workday or extend more than 30 minutes after the end of the workday. For all other meetings/activities which may occur outside the regular workday for which staff attendance will be mandatory, every effort will be made to provide at

least two weeks' notice (either verbal or written) of the date of the meeting/activity. The staff member shall be paid at the hourly rate for attendance at all mandatory meetings occurring outside the regular workday, except the monthly staff meeting. If staff attendance is not mandatory, and a staff member chooses to attend a meeting/activity, the staff member shall not be entitled to any compensation for that attendance.

- H. Classes shall be dismissed one hour early on the last day of the school year.
- I. Each staff member who participates in grade level or departmental meetings shall be paid at the hourly rate. The time will be approved by the appropriate administrator.
- J. Every effort will be made to create planning time that does not include the time the teacher escorts his/her students to classes or time traveling between buildings.
- K. Teachers assigned by their building administrator student supervision duties occurring outside the regular school day and which are not covered by a supplemental contract (e.g., detention and Wednesday school) shall be paid at the hourly rate for time actually worked.

#### 7.05 Calendar

The Association may present to the Board any recommendations for the development of the school calendar no later than December 1 of each year. Such recommendations will be considered by the Board, which shall adopt the ensuing year(s) calendars no later than March 1.

#### 7.06 Personnel Files

- A. Location and Maintenance - The official personnel files of all teachers shall be kept at the Board building and maintained by the superintendent.
- B. In addition to the application for employment and references, personnel folders will contain records and information relative to compensation, payroll deductions, evaluation, and such other information as may be required by the state or considered pertinent. No anonymous letters, reports, or communications shall be included in the teacher's file.
- C. All personnel records of individual teachers will be maintained in accordance with provisions contained in ORC 149.43 and 1347. Each item in the file shall be dated as to its entrance therein.
- D. Each teacher will have the unlimited right to review the contents of his/her own personnel file. Such request will be made to the superintendent who will schedule a time for the teacher to have access to his/her file in the presence of a witness.
- E. Teachers may make written objections to any information contained in the file. Any written objection must be signed by the teacher and will become part of the teacher's personnel file.

- F. Lists of teachers' home addresses will be released only to governmental agencies as required for official reports as required by state and/or federal law.
- G. A copy of any information to be placed in a teacher's personnel file shall be given to the teacher.

7.07 Reduction in Force

The Board may reduce in force for the following reasons:

1. Decrease in enrollment from the previous school year on a district level, grade level, or program area
2. Suspension of schools or territorial changes
3. Return to duty of a teacher from a leave of absence or disability retirement
4. Curriculum changes
5. Financial reasons
6. Any mandated reason set forth in Ohio Revised Code Section 3319.17.

If the Board determines it is necessary to reduce the number of bargaining unit positions, those reductions shall be made in accordance with Ohio Revised Code section 3319.17. Comparability shall be determined using the performance evaluation ratings of each teacher or counselor over a three-year average, with numerical values assigned to each rating as follows: Accomplished-4; Skilled-3; Developing-2; and Ineffective-1. Seniority will be the basis of a reduction in force only between teachers who are comparable, i.e., have the same three-year average score.

- A. The Association shall be notified in writing of any proposed staff reduction. Such notification shall include:
  1. The positions for reductions being considered, and
  2. Reasons for such proposals.
- B. Seniority will be defined as the length of continuous service as a certificated/licensed employee under the regular contract in this district.
  1. Board approved leaves of absence will not interrupt seniority, but time spent on such leave shall not count toward seniority.
  2. The Superintendent shall provide the MGTA President with a seniority list on or before November 1 of each school year. The President shall notify the Superintendent of any corrections by December 15. The seniority list shall include each area of licensure/certification with unit members placed on all lists for which they are licensed/certified. Part-time unit members, if any, shall appear on the seniority lists but shall be listed separately from the names of full-time unit members.
  3. If two or more teachers have the same length of continuous service, seniority will be determined by:

- the date of the Board meeting at which the teacher was hired, and then by;
  - the date the teacher signed his/her initial employment contract in the district, and then;
  - if there are any remaining ties, they will be broken by lot.
- C. The names of teachers rated ineffective or developing whose contracts are suspended in a reduction in force will be placed on a recall list for twelve (12) months from the date of reduction. The names of teachers rated accomplished or skilled whose contracts are suspended in a reduction in force will be placed on a recall list for twenty-four (24) months from the date of reduction. Teachers on the recall list will have the following rights:
1. No new teachers will be employed by the Board while there are teachers on the recall list who are certificated/licensed for the vacancy.
  2. Teachers on the recall list will be recalled based upon licensure/certification, fit, and prior evaluations.
  3. If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the district office within seven (7) calendar days. Any teacher who fails to respond within seven (7) calendar days, or who declines to accept the position, will forfeit all recall rights.
  4. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.
  5. If available through the insurance carrier the teacher shall have the right to any and all insurance benefits provided by the Board. Said premium shall be paid by the teacher by money order or bank draft made payable to the insurance company and received in the office of the treasurer as specified by the treasurer.
- D. The parties agree that these procedures apply only to the suspension of contracts for reduction in force. This article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.

#### 7.08 Class Size

- A. The Board and the Association agree that class size should be consistent with the standards of quality education. The parties agree that every effort should be made to provide one full-time equivalent regular classroom teacher for each twenty-four

(24) pupils in average daily membership in the district. However, due to a lack of facilities, impacted growth areas, and a lack of proper financing, it may be difficult to reach this goal.

- B. As used in this section “educational service personnel” shall be defined pursuant to the Ohio Administrative Code, Section 3301-35-01.
- C. Every effort will be made not to place pupils in a classroom in larger numbers than the capacity of the teaching stations allow.
- D. The parties agree that every effort should be made to provide one educational service personnel for each 200 pupils in average daily membership in the district.
- E. An administrative response will be triggered when a K-2 unit member’s class size exceeds 22 pupils.
- F. An administrative response will be triggered when a 1-2 elementary unit member’s class size exceeds the desired limits of the district ratio established in Section A by more than 10%.
- G. An administrative response will be triggered when a secondary or 3-5 elementary unit member’s class size exceeds the desired limits of the district ratio established in Section A by more than 20%.
- H. Courses that have been traditionally taught in large groups shall be excluded from these limitations.
- I. The administrative intervention shall be determined by the superintendent. In no case will that intervention result in the creation of a new section that has less than fifteen (15) students in membership.

#### 7.09 Teacher Education and Certification and Licensure

The Mount Gilead Local Professional Development Committee (LPDC) shall provide district leadership in this area.

- A. The Mount Gilead LPDC shall consist of at least five (5) members. Three-fifths (3/5) of its membership shall be identified as classroom teachers. Two-fifths (2/5) shall be identified as administrative personnel.
  - 1. The Association shall select the teacher members of the LPDC from the Association membership. If possible, each building should be represented.
  - 2. If a teacher member is unable to fulfill a full term of membership, an Association member shall fill the position. If possible, the replacement member should represent the same building as the original member.
  - 3. The superintendent shall select the administrative members of the LPDC.

4. The superintendent shall determine the recall and replacement of the administrative members.
- 
- B. The terms of office for the LPDC teacher members shall be three years beginning on July 1. One teacher member shall rotate off the LPDC each year.
  - C. The LPDC shall consist of the following officers: chairperson, vice-chairperson, and recorder. In addition, a data entry clerk shall be appointed with the mutual agreement of the LPDC and superintendent.
  - D. The LPDC shall determine its meeting schedule.
  - E. The decision(s) of the LPDC shall be by majority vote. A quorum shall include at least one (1) administrative member.
  - F. Each LPDC bargaining unit member shall be paid at the hourly rate for meetings scheduled outside of the school day or regular school year, not to exceed \$650.00 per year. Members will be issued a supplemental contract and will be required to submit time sheets verifying hours worked.
  - G. Decisions of the LPDC may be appealed through the channels established in the LPDC guidelines.
  - H. The LPDC shall approve all CEU programs and coursework for all certificated/licensed employees, as well as other activities that may provide CEU's. The LPDC shall establish criteria for the above programs.
  - I. At least one member of the LPDC Committee shall be placed on any district committee involved with staff development issues.

##### A. Definition of Retiree

A retiree is an individual who has attained service retirement status with the State Teachers Retirement System (STRS) and is otherwise qualified by certification/licensure and background for public school teaching in Ohio.

##### B. Employment

The Board retains the right to reemploy retired teachers. The Board will make this determination on a case-by-case basis. Any bargaining unit member or any other retiree of STRS who retires and is subsequently reemployed in the Mount Gilead Exempted Village School District may be hired at a rate of pay different from his/her years of service as specified in the salary schedule contained in this Agreement. This provision and such salary and individual contracts with a member expressly supersede Ohio Revised Code Section 3317.13 and all other applicable laws.

The teacher shall be placed at the salary step that is agreed to by the teacher and the Board of Education. Actual training credit will be awarded.

D. Insurance

A retiree may purchase dental and vision service at district cost. Medical and prescription drug coverage shall not be provided unless STRS denies such coverage due to employment.

E. Contracts

The retiree shall be granted an automatically non-renewing one-year limited contract. The retiree shall not accumulate seniority. It shall not be necessary for the Board to take formal action to not re-employ the employee pursuant to 3319.11, Ohio Revised Code, in order to terminate the employment relationship. The employment relationship shall end upon the expiration of the contract in the same manner as a supplemental contract.

F. Sick Leave/Severance Pay

Retirees will accrue sick leave pursuant to the Agreement and ORC. A retiree is not eligible to receive a severance payment upon leaving employment in the district.

G. Vacancy

The retiree's position shall be posted annually. The retiree may bid on the position after the Agreement's posting period has expired.

H. All of the terms and conditions of employment set forth in the preceding subsections shall supersede and replace any sections of the Ohio Revised Code with which they are in conflict, including, but not limited to, Sections 3319.11, 3319.111, 3319.12, 3319.17, Chapter 3307, 3313.202, 3319.08, 3319.141, 3317.13, and 3317.14.

Unreimbursed application and testing fees shall be reimbursed under the provisions of Article V, Section 5.04, College Credit Reimbursement, upon successful passage of the program. If a teacher's education program includes self-paid credit for working on NBC, tuition reimbursement shall also apply. The combination of these two reimbursements

shall not exceed \$1,500.00 as provided in Article V, Section 5.04. The tuition reimbursement form shall be revised to reflect this benefit.

If a teacher's education program does not include credit hours for pursuing NBC, a teacher shall be granted six (6) semester hours of credit toward advancement on the salary schedule only.

All such benefits shall be provided once per teacher.

#### 7.12 Advisory Council for the Superintendent

- A. Any teacher representatives and teacher alternates who are to serve on the Advisory Council for the superintendent shall be selected from each building by a majority vote of that building's faculty. This selection shall take place in the month of September. In addition, the Association president shall also serve on the committee. Other personnel including principals, treasurer, curriculum director, technology director, etc., may be invited to attend council meetings at the discretion of the superintendent.
- B. All Advisory Council members will be provided with a schedule of the meetings which will be established at the first Advisory Council meeting in September. The Advisory Council will meet every six (6) weeks of the school year beginning in September. Additional meetings may be scheduled as mutually agreed upon.
- C. The issues discussed by the Advisory Council shall not be construed to be negotiations and shall not alter or amend the terms and conditions of this Agreement.

#### 7.13 Pay Periods

Each teacher shall receive twenty-four (24) equal pays during the regular work year. The pay dates are the 10<sup>th</sup> and 25<sup>th</sup> of each month. When the 10<sup>th</sup> and 25<sup>th</sup> are on a weekend or holiday, payment is made on the previous business day.

#### 7.14 Court Appearance

A teacher serving as a juror or who is subpoenaed to testify in a court of law shall receive the difference between his/her regular pay and any remuneration received for such services. This leave shall not be chargeable to sick leave or personal leave. This provision shall not apply if the teacher is a party to the court matter.

#### 7.15 Special Education

Each unit member who participates in the IAT or MFE process or who will be providing instructional or other services specified on the IEP or "504" to a student with special needs shall be invited to participate in the IAT, MFE, IEP or "504" meeting by the building administrator using the Student Education Meeting form, the IEP Notification form, or other form developed by the administration.

- A. Every reasonable effort will be made to schedule such meetings during the contract day.
- B. If such meetings must be scheduled outside the contract day, the participating unit members shall be eligible for payment. (Such time outside the contract day must be for a minimum block of thirty (30) minutes.) The amount of time shall be verified by a building administrator. The Board policy manual shall be maintained on the district website. Every proposed change to Board policy will be emailed to the MGTA President prior to any Board action.

7.17 Dress Code

The teacher shall be responsible for dressing in a professional and job-appropriate manner.

7.18 Procedure to Resolve Parent/Teacher Disagreements

Community and school communication ideally should be such that most complaints may be resolved through personal conferences at the school level. Various avenues of contact between professional staff member, pupil, parent, principal, and other appropriate staff personnel should be pursued before using the formal procedures outlined below. To that end, upon receipt of a complaint, the person receiving the complaint should refer the complainant to the teacher affected who shall meet with the complainant to attempt to resolve the complaint. Any teacher who is the subject of a complaint that could lead to discipline shall be notified in a timely manner. If the complainant refuses or does not wish to meet with the teacher, the complainant shall be referred to the building principal who may meet with the complainant to attempt to resolve the complaint. If the building principal is able to resolve the complaint, he/she shall advise the teacher of the nature of the complaint, its resolution, and the identity of the complainant.
