## CAMP INFO:

This energetic soccer camp is orchestrated so soccer players can refine their skills and simply have fun! This is a non-tryout based soccer camp. Therefore, players can relax and enjoy soccer for the sake of playing soccer. Our highly experienced coaching staff will help to improve players' technical soccer skills and tactical awareness in an activity based atmosphere. Our goal is to promote fundamentals of team play, versatility, and performance. Emphasis will be on good sportsmanship, teamwork, and trusted Panther camaraderie with a little mayhem!

- Morning sessions will focus on technical/tactical training and small sided games.
- Evening sessions will focus on small/large sided games and full sided scrimmages.

- Genders for boys and girls will be kept separate, and groups will rotate coaching stations so players can learn and be coached from a variety of highly diverse, experienced, and competent coaching staff.
