### Independent School District 622 2016-2017 General Fund Proposed Budget Assumptions

- Enrollment projections have been updated to recognize trend and the decrease in enrollment due to Valley Crossing Community School and North Metro Flex Academy charter school.
- The general fund revenue includes the updated revenue of a 2% increase in the funding formula approved by the legislature.
- Compensatory revenue increase of \$560,000 for 2016-17.
- Salaries have been adjusted to reflect retirements, step movement, additional staff and any contractual obligations according to PELRA. Shows settled contract "one time" payments & projected "one time" payments on unsettled contracts.
- Worked with employee groups to hold salary schedule increases at 0% for contract year 2015-17.
- Health insurance cost increases flat for 2016-17.
- 4 Utilities held flat for 2016-17.
- Non-Salary costs are frozen except those that are designated for increase above or adjusted because of trend.
- New contract for transportation contracted services reflects an increase of 6.5%.
- Federal and State grants are awarded amounts and do not include carryovers.
- Because of new legislation, starting in 2016-17, the Long-Term Facilities Maintenance (LTFM) – Previously Alternative Facilities) budget will move from the Fund 6 Construction Budget to the General Fund. That budget will have initial revenues of \$6,707,700 and expenditures of \$5,644,080 with an anticipated restricted fund balance of \$1,063,620.
- The District implemented \$1.7 million in budget adjustments for the 2016-17 fiscal year.
- ♣ We will use one-time capital dollars of \$533,227 and other fund balance reserves of \$763,804 to balance our budget.
- We will do a budget revision in 2016-17 to recognize the sale and receipt of the Valley Crossing Community School funds.

### Independent School District 622 2016-2017 Food Service Fund Proposed Budget Assumptions

#### **Revenues:**

- Revenues are based on 172 serving days for both elementary and secondary.
- The revenue budget reflects the meal price increase of .05 for lunch and .10 for breakfast that was approved by the school board.
- The revenue budget reflects no per meal increase from federal or state sources. Any increase will be reflected in a revised budget later next year.
- **4** The daily lunch average is 7,700 meals.
- The revenue budget reflects the projected increase of 50,000 breakfast meals served from FY15-16 to FY16-17.
- **4** The daily breakfast average is 2,600.
- **4** The revenue budget reflects a decrease in ala carte of \$118,000.

#### Expenditures:

- Inflationary increase/decrease has been added to the food expenses.
- Salaries have been adjusted to reflect retirements, step movement, and any projected contract increases. Any contract settlement increases above step projected will increase expenditures.
- 4 2016-17 expenditures include an increase of a \$100,000 chargeback from the General Fund for custodial and maintenance time and services.

#### Fund Balance:

Fund balance will be used to offset future increases in food costs and contracts as well as possible equipment upgrades.
