The Kindergarten Orientation on May 14 was very well attended. The library was overflowing. It was probably our highest attendance ever at a Kindergarten Orientation.

Our Relay for Life/Field Day on May 22 was a great event. The students raised over \$3,000 for Relay for Life. The Talent Show on the last day of school was fun for everyone and showcased our very talented students and staff.

Ethan Gentry won the county-wide award for perfect attendance and received a bicycle.

The traditional Pyramid Ball on the last day of school (6th grade VS staff) is a great way to end the year. This year the staff won two games out of three.
