CAST BIOS & PHOTOGRAPHS

J.J. Gibson (*Jack Kelly*) - J.J. is a Senior and 5-Year Greenwood musical veteran. He has spent a lot of time in the Bowling Green theatre community, playing roles such as Scuttle in Greenwood's *The Little Mermaid*, Jack in BGOOnStage's *Into the Woods*, and Henry Stevens in PTK's *Showmance*. *Newsies*, however, holds a special place in his heart, as it served as his introduction to musical theatre. He is excited to be sharing this experience with his family, friends, and you!

Vincent Tanaro (*Crutchie*) - This is Vincent's third musical at GHS. Some of his favorite roles have been Laurie in *Little Women* and himself in *The Complete Works of William Shakespeare Abridged*. He'd like to thank his family, friends, Mrs. Cassady, Ms. Curtis, and Ms. Osborne.

Matthew Byrd (*Davey*) - This is Matthew's third year in the Greenwood musical. He has held eight other roles in other plays at GHS. Favorite roles include himself in *The Complete Works of William Shakespeare Abridged*, George in *Our Town*, and his current role as Davey. He would like to thank Mrs. Cassady and Ms. Curtis for this amazing opportunity. He plans to pursue film/acting as a career after high school. Enjoy the show! Thank you for coming!

Neely Lambert (*Les*) - Neely is an eighth grader at Drakes Creek Middle and is excited to make her Greenwood Musical debut as Les. Newsies is Neely's nineteenth production with some of her favorite roles being Gladys (*Best Christmas Pageant Ever*), Mary Poppins (*Mary Poppins*), and Charlotte (*Yes, Virginia*). Neely is a member of KYA, KMEA All-State Chor, and a finalist in SOKY's Got Talent and Kentucky State Beta Convention. Neely would like to thank Zac Bush for helping her prepare for this amazing role and Andrea Nance for encouraging her at a young age to pursue musical theatre. Neely would also like to thank

the cast and crew for welcoming her as one of their own and encouraging her along the way.

Elizabeth Vensel-McCoy (*Race*) - Elizabeth has been performing since she was 6th grade and has done over thirty shows. She has been taking dance classes with Dance Images for the past two years and voice lessons for the last five. She plans to attend WKU in the fall with a major in business and minor in dance. While learning all of the dance for *Newsies* has been challenging, it has been one of her favorite parts of this show.

Jacob Condiff (*Albert, Snyder*) - This is Jacob's second season with Greenwood Musical. He began with the role of Pilot in *The Little Mermaid* (2019). He loves the family that is created in musical and getting to spend time with his friends and fellow actors. He wants to thank Matthew Byrd and Vincent Tanaro for helping him get into acting and his amazing friends and family for supporting him the whole time!

Olivia Otto (*Specs, Katherine understudy*) - Olivia is happy to be returning in her third Greenwood musical. Some of her favorite roles have been Tilly from *She Kills Monsters* and Alice in *Best Christmas Pageant Ever*. She would like to thank her friends and family for always supporting her. She is excited to be an understudy!

Savanna Brooks (*Henry*) - Savanna Brooks is a sophomore, but plans to graduate next year. She has been in over 20 shows and loves every-

thing about performing. Her favorite roles include Sleeping Beauty in *Heroes & Villains*, Jack's Mother in *Into the Woods*, and Henry in *Newsies*. The family created in the musical is unlike any other cast. She is very blessed to be apart of such a great group of people and wishes the best for everyone. She would like to thank her mother for always believing in her and pushing her to get to where she is today.

Laura Peters (*Finch*) -

This is Laura's 2nd musical with GHS and she is so excited to get the opportunity to work with an amazing cast of great actors and dancers. Her favorite part of the musical has been learning the choreography, which led her to realize that she would like to minor in dance in college. Thank you to Mrs. Cassady and Ms. Curtis for this opportunity.

Briley Barnett (*Romeo, scab*) - Briley is happy to be joining the cast of *Newsies* as Romeo, a newsie

who is looking for a sweetheart. In addition to musical, Briley is active in both Greenwood's SATB choir and the men's acapella group, the "Fortissibros."

Josh Criswell (*Elmer*) - Josh is a freshman at Greenwood High School. This is his second musical with Greenwood, with his first being the role of Flounder in *The Little Mermaid*. He also was Thomas O'Malley in the *Aristocats Kids* in elementary school. He has been singing longer than he can remember and isn't shy to do so when the time arises. He enjoys musical more than anything else at Greenwood and wouldn't trade it for the world!

Caitlyn Kirchner (*Mush*) - Caitlyn is a senior at Greenwood and is very excited to be in this year's production of *Newsies*. She has performed in musicals and recitals since elementary school and is a four-year musical veteran. She will be attending the University of Louisville in the fall and will be majoring in music therapy. Her favorite part of this year's show is getting to dive into the life of a newsie with such a talented group of performers. She hopes you enjoy the show!

Wesley Kirby (*Spot Conlon, Pulitzer u/s*) - Wesley has been participating in musicals since his freshman year. He will be attending SKYCTC this fall and has ambitions of becoming a paramedic. He is in choir, A Capella, marching band, and archery. *Newsies* is his favorite show he has participated in, but if there was another show he would like to be in it would be the musical *Heathers*.

Abby Murphy (*Katherine Plumber*) - Abby is so excited to be playing a role that is out of her comfort zone, and also a girl (which hasn't been the trend with her other Greenwood productions i.e. Sebastian in *The Little Mermaid*)! Some of her other roles include: Millie Dillmount, Peter Pan, Dorothy, Belle, And Gollum. She served as the dance captain for this production, as well. Abby is so grateful for her family for coming to all of her shows and rehearsals! Abby is thankful for her friends who have cheered her on and so lucky that they reschedule plans when she has rehearsal! Most

importantly, God, who has given her everything she has today. Faith is huge in her life, and without Christ she wouldn't be the person she is today.

Owen Mefford (*Joseph Pulitzer*) - Owen is a senior at Greenwood High School and is very excited to be a part of this year's show. This is Owen's third Greenwood musical. He has been involved with drama from an early age, and some of his favorite shows include *Thoroughly Modern Millie*, *The Complete Works of William Shakespeare (Abridged)*, *Bye Bye Birdie*, and *Charlotte's Web*. Owen is also involved in many clubs such as KYA and Mock Trial and is a Gatton Academy student. He would like to thank his family for always encouraging him, as well as all of his

fantastic friends, the musical cast, and his directors. Though he is sad this is his last Greenwood musical, he is ecstatic to share it with you and hopes everyone enjoys the show!

LaTayshia Hill (*Medda Larkin*): LaTayshia Hill is a sophomore at Greenwood High School and is performing in her first musical at GHS. Her favorite characters in the show are Medda Larkin, and Jack Kelly. LaTayshia has learned three languages and aspires for a career in singing/acting.

Erica Cassady (*Director*) - Mrs. Cassady is honored to have directed the last six Greenwood musicals. She feels lucky to be able to witness how transformative theatre is in the lives of her students. She participated in her own high school plays and community theatre before turning to directing once she became a teacher. Last summer she attended the Broadway Teacher Workshop in NYC where she had the opportunity to learn more about directing, stage managing, and choreography from Broadway professionals. The legacy of Greenwood's musical program precedes her time here, and she would like to thank those di-

rectors who came before her for creating a tradition that she feels blessed to continue. She would like to thank her students for being a part of this beautiful family, the parents for their tireless efforts, her creative team for their passion and dedication, and most importantly, her husband and two amazing children for being so willing to share their wife/mother with such patience and love. Without their understanding, she would not be able to do this creative work she loves so much. Her favorite lyric from this show is: "Give those kids and me the brand new century and watch what happens." Enjoy the show.

Abigail Curtis (*Music Director*) - Ms. Curtis is excited to be the music director for her very first Greenwood musical. A native of Georgetown, Ms. Curtis participated in her community theatre and high school musicals along with two operas while she was a student at WKU. Past musical theatre roles as an actress, vocalist, and/or violinist include: *Mulan*, *Oklahoma*, *The Wedding Singer*, *Fiddler on the Roof*, *How to Succeed in Business*, *Thoroughly Modern Millie*, *Hello Dolly*, and *Joseph and the Amazing Technicolor Dream Coat*. Her favorite part of *Newsies* has been getting to know the students better and being part of such a special Greenwood tradition. Ms. Curtis would like to thank her students and their families for welcoming her to the Greenwood family with open arms!

Gabrielle.

Your smile and kindness of heart will always make the difference in people's lives. You will always be in my heart.

Love you,
Nanana Nise

BROADWAY'S SMASH HIT MUSICAL

DIRECTOR'S NOTE

In 1899, Joseph Pulitzer raised the price of newspapers from fifty to sixty cents per hundred. The decision was an act of desperation for the journalist who, following the end of the Spanish-American War, was experiencing a decline in profits. The “newsies” of New York City responded with a city-wide strike. Over the next several weeks, the newsies rallied until, finally, they were declared the “winners” of the standoff. Tonight we recreate this story for you on stage with a lot of the energy, determination, and little bit of Disney magic.

Newsies is an ambitious show with its show-stopping choreography, riveting vocal numbers, and spectacular scenery, and it is not without the dedication of many wonderful people that such a show is possible. Undoubtedly, the first shout out must go to the phenomenal students who make up the cast and crew of this production. You all have proven year after year that there isn't a challenge too big for you. Your directors are proud not only of your talent, but also how you chose to show up as humans during our time together. You encouraged each other, learned from each other, were kind to each other, and became a family. We watched you accept new faces into the program with open arms. You make this job the best in the world.

Seniors, it is bittersweet to say goodbye. This show is the last time you'll take a bow in a Greenwood musical. And that means something. It means that you left behind a legacy for those who will now fill your shoes. You shaped and molded the underclassmen with your presence. You encouraged them, drove them to rehearsals, practiced audition material with them, and demonstrated what leadership means. You helped secure the future of our program by being the best role models and mentors a director could ask for. We are so proud of you and can't wait to see what happens next.

Parents, we are ever-so-grateful for you. Thank you for the schedule-shuffling, late night pick-ups, and for selling all that choco-

Furor CrossFit

What makes Furor CrossFit Different?

We are not your average gym. At Furor CrossFit you will be part of a class setting led by experienced trainers. You will be guided and coached through everything from the warm-up, to the strength or skill, to the metabolic conditioning (Met-Con). We expect intensity out of our athletes. Yes we consider you an athlete when you walk through our doors. We recognize that intensity is relative to each individual person, so we will work with you to customize our workouts and modify anything necessary to provide you with the best experience every class. We want every person that walks through our doors to reap the rewards that intensity provides from the fittest that chases physical dominance to the beginner that chases physical competence.
