

Lost River Elementary SBDM Minutes
Special Called Meeting
October 24, 2017

Members Present: Jim Goff, Cassandra Jones, Nicole Lyons, Kim Thompson Janel Doyle and Kathy Keenan. A quorum was present because there was one more member than half and a parent was included.

The meeting was called to order at 3:00 p.m. The regular called meeting was not held due to a conflict with the chairperson's schedule.

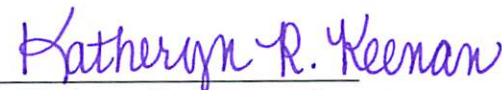

The minutes from the previous meetings were reviewed. Kim Thompson made the motion to accept the minutes as written. Nicole Lyons seconded the motion and minutes were approved.

A report of the 2016-2017 K-PREP scores was presented to school council members. The test data will be used to determine a baseline score to look at GAP, Growth, and Achievement moving forward. An analysis of Reading by grade level and group was discussed. An analysis of Math by grade level and group was also discussed. Several of our GAP groups outscored those same groups in Warren County and across the state. Math Scores trended higher than Reading scores. There is some concern over the number of Proficient and Distinguished students in both areas. The council sees the need to reduce the number of novice students.

Instructional Initiatives that are in place to help reduce Novice numbers and increase Proficient and Distinguished numbers include but are not limited to the following: behavior target groups, instruction in test taking strategies, RTI focus groups, Imagine Learning Computer assisted learning, increase in GT program numbers, and Problem Based Learning. Teacher meet regularly to discuss academic data and trends.

Nicole Lyons made the motion to adjourn, seconded by Cassandra Jones and the motion carried.

Jim Goff, Principal

Katheryn R. Keenan, Secretary
