Focus Areas

Welcoming schools that support the social and emotional needs of our students form the foundation for academic excellence. We recognize this is built through the continuous improvement of intentional collaborative efforts that are focused on the following:

1

Connected School Communities

We Caring staff actively build community relationships, identify assets and needs, and connect students and families with resources to help them access the best opportunities our schools have to offer.

2

Healthy Environments for Social and Emotional Growth

All staff cultivate inclusive, safe, equitable, culturally responsive and healthy environments by integrating social and emotional learning to ensure essential student development.

3

Engaging Academic Programs

All educators engage and support each student in a challenging and broad course of study that builds skills, knowledge and experiences preparing all to be critical thinkers who communicate effectively, collaborate and are civic minded.

4

Clear Pathways to Bright Futures

Our whole school community engages each student in discovering their limitless potential, and through coordinated efforts prepares them for college, career and bright futures filled with opportunity.
