

Flag Etiquette

- 1. When several flags are flown, the stars and stripes should be given top position on the flag pole.**
- 2. The flag should be displayed only during the daylight hours unless lighted during the hours of darkness.**
- 3. The flag should be hoisted briskly and lowered slowly.**
- 4. Never fly the flag upside down unless to convey distress.**
- 5. The flag should never touch anything beneath it, especially the ground.**
- 6. When facing the flag or when the flag is passing by (as in a parade) you should stand with your hand over your heart.**
