## Key:

**OFFICE ADMINISTERED Medications**- medications will be kept in the office and a trained staff member will administer them

**SELF-POSSESSED & SELF-ADMINISTERED Medications**- Self-possession means that under the direction of the physician, the student may carry medication on his/her person to allow for immediate self-administration. Self-administration means that the student can administer the medication in a manner directed by the physician without additional direction or supervision by school staff.
