

For returning DCDS Students

Middle School students have summer math work that needs to be completed before the 2022-23 school year begins. Below you will find the information on the lessons that need to be completed for each of the math courses in the Middle School.

For students using on-line math work: Students will be provided login instructions to access the website www.learningupgrade.com to complete the assigned lessons. If a student has issues over the summer with website access, they can contact the helpdesk or email MSmath@dcds.edu.

**Students are encouraged to do their summer math work over a period of time.
It would be best to do one or two lessons each week**

STUDENTS WHO WILL TAKE GRADE 4 MATH ARE SUGGESTED TO REVIEW:

Suggested review: Summer review work provided by email. Link also available on DCDS website Back to School page in MS 4th grade folder

STUDENTS WHO WILL TAKE GRADE 5 MATH OR GRADE 5 ADVANCED MATH

Required work: Summer packet provided by email. Link also available on on DCDS website Back to School page in MS 5th grade folder.

NEW TO DCDS Grade 4 & 5 STUDENTS ONLY:

Welcome to Detroit Country Day Middle School!

New to DCDS students have additional suggested summer math work before the 2022-23 school year begins.

STUDENTS WHO WILL TAKE GRADE 4 MATH OR GRADE 4 ENRICHED MATH

1- Required **Reflex Math** work - achieve 100% mastery for addition, subtraction, multiplication and division by the end of the summer. A time commitment of 60 minutes per week should allow most students to achieve these goals. Login information provided by Lisa Zimmerman, 4-5 Dean.

STUDENTS WHO WILL TAKE GRADE 5 MATH OR GRADE 5 ENRICHED MATH

- Required **Reflex Math** work - achieve 100% mastery for addition, subtraction, multiplication and division by the end of the summer. A time commitment of 60 minutes per week should allow most students to achieve these goals. Login information provided by Lisa Zimmerman, 4-5 Dean.
