

**ROCHESTER**  
CATHOLIC SCHOOLS

## 6th Grade Summer Reading 2023

Before the first day of school, please read the short novel, *Fish in a Tree* by Lynda Hunt. Please select ONE of the three prompts and write a response explaining your thoughts on loose leaf paper or by typing your response and submitting it electronically.

Reading Power: Making Connections

- *Text to Faith* - explain in approximately 50 words how an event from this novel connects to our Catholic faith.
- *Text to Text* - explain in approximately 50 words how an event from this novel connects to another novel you have read.
- *Text to Self* - explain in approximately 50 words how an event from this novel connects to your own life.

Throughout the summer, we ask that you also record the titles, authors, and page numbers of any books you read on the challenge log (see reverse). Please bring your “Making Connections” responses and your challenge log with you on the first day of school.
