

# Garden at Parkway Elementary School

Sunday June 11th 3:00pm - 6:00pm

Parkway Elementary School  
5910 N Milwaukee River Parkway  
Glendale, WI 53209

Join the spring cleanup party at Parkway Elementary School gardens. We will be weeding and preparing raised beds that are maintained throughout the summer by local nonprofit Kids Impact Community (KIC). Crops from this garden site are donated to local food pantries.

Kids Impact Community offers monthly opportunities for families to volunteer with their children, model acts of kindness, and make new friends throughout our Milwaukee community. Volunteers can drop in for just a portion of the time or stay the full 3 hours.

If you are interested, please RSVP to Adrienne Muller-Goldstein, volunteer Master Gardener at: [adriennemullergoldstein@gmail.com](mailto:adriennemullergoldstein@gmail.com). For more information about KIC please visit their website: <https://kicmke.org>.

**The garden needs a lot of help before it can be planted for the season!**

Hope to see you there.  
Thank you,  
Adrienne Muller-Goldstein
