5. Old Business

None

6. New Business

- Graduation Requirements ~Mrs. Sullivan

First read of proposal to offer alternate classes for a few students to choose an alternate Math course based on career pathway. This would provide a 4th Math course for these students. Per KDEA standards these can be approved if the classes offer math content and rigor. Council approved for second read next month allowing for discussion regarding the change.

- Fine Arts Class offerings~ Mr. Shanklin

First read of proposal to change the credit given for the Vocal Ensemble and Instrumental Ensemble classes from .75 to .50 per semester. This change is to better prepare student for testing purposes. This change will allow students to take 3 classes toward their career pathway. Mr. Tolbert tabled the request until the second read to allow for discussion with stakeholders regarding master schedule.

- Present Program Review ~ Mrs. Daigle

Program Review was presented to the council. It was read and discussed. Mrs. Daigle addressed changes for next school year and took suggestions from the teachers present. Council members gave approval by consensus.

- 2015-2016 Internship approval ~ Mrs. Daigle

First read for approval of changes to the internship program for Child Care students. This would allow students to be away from school for two periods per day rather than one. At this time the change would affect 4-5 students for the 2015-2016 school year. These students would be getting more internship hours and would be in a good position for their career pathway. Council approved for second read next month allowing for discussion regarding safety, logistic concerns, etc.
