On
Championship Rings**

TOPIC DESCRIPTION

Criteria for Championship Rings

POLICY STATEMENT

It will be the policy of Warren East High School that championship rings will be bought for state champions. This will govern all team sports and individual sports. This policy will not apply to individuals who win state in individual events unless approved by administration to do so. Ex. Rings will be bought for state individual cross country winner, archery winner, etc. but not for individual track event winner, swim event winner, etc. If the school has the money, the school will do everything to pay for them out of athletic/school budget but may need help of boosters/donors. Rings will only be bought for champions and not runner ups unless voted upon. Rings will not be bought for district titles, region titles or individual tournament titles. This will be the policy for KHSAA sponsored events only.
