SBDM COUNCIL POLICY
On
Coaching Staff

TOPIC DESCRIPTION

Criteria for coaching staff

POLICY STATEMENT

It will be the policy, within the athletic department, that all sports will have a coaching staff member of the same sex, of that sport. Girls' sports will have at least one female member on their coaching staff while male sports will have at least one male member on their coaching staff at all time.

If the head coach is unable to find someone to fill that void, the administration may appoint someone at that time in order to help ensure the safety and supervision of our student athletes.
