April 8, 2015

Dear Parent,

The Texas Education Code 28.004 states that if human sexuality education instruction is provided as a part of the health curriculum in a school district, the district must provide a summary of the content, and a statement of the parent's right to review the materials with options for the parent to remove the student without penalty. In order to meet this standard, Krum ISD is providing a sexual health education program that promotes abstinence and covers the psychosocial and medical aspects of human relationships. This program will be taught in grades 6 through 8 using age appropriate materials.

Program materials and guest speakers supporting instruction have been reviewed and approved by the School Health Advisory Committee. In addition, The Krum ISD Board of Trustees has also reviewed and approved the curriculum. There will be a meeting on **April 23** from **6:30 - 7:30 pm** at Krum Middle School, at which time you as a parent/guardian will have the opportunity to review the material and have your questions or concerns addressed.

You as a parent/guardian have the option to have your child not participate in the program. If you **DO NOT** want your child to participate, please sign and return this form to the school office. Please feel that you may contact either of the nurses to answer any questions or concerns you may have.

Sincerely,

Dixie Knight, RN
Dana Craddock, RN

I DO NOT WANT MY CHILD, _____, grade _____
TO PARTICIPATE in the sex education curriculum.
