Student Academic Achievement

Student Academic Achievement Summary

Krum Middle School is rated a C (72) campus according to the current Texas Education Agency accountability system.

- Student Achievement 77
- School Progress Academic Growth 66
- School Progress Relative Performance 59
- Closing the Gaps 59

Current data illustrates needs in the ELL, Special Education, Economically Disadvantaged, and Hispanic/Latino subgroups in the area of achievement and state testing. Our greatest strengths are in the areas of mathematics and reading. Currently, KMS is addressing areas of weakness in writing, social studies, science, and the overall discrepancy between student population groups and the ALL student groups. Moreover, it is imperative that all students demonstrate growth, including those who were close to achieving Meets Grade Level and Masters Grade Level status.

Student Academic Achievement Strengths

Krum Middle School has demonstrated strengths in the core curriculum. In addition, our students have also experienced a well-rounded education by demonstrating excellence in areas not measured by standardized testing. Whether our students are competing in band, choir, athletics, UIL, One Act Play, agriculture science, or other enrichment activities, they have been successful on district, area, state, and national levels.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: KMS STAAR percentage at Approaches Grade Level across all grade levels 6-8 and all subjects is 74% which is below the campus goal of 80% or higher. **Root Cause:** Lack of data driven instruction; Lack of fully developed Response to Intervention.

Problem Statement 2: KMS STAAR percentage at Meets Grade Level across all grade levels 6-8 and all subjects is 44% which is below the campus goal of 50% or higher. **Root Cause:** Teacher and student focus on meeting the passing standard of approaches grade level, Lack of data driven instruction, Accelerated instruction focused only on those that do not Approach Grade Level.

Problem Statement 3: Insufficient number of students that meet or exceed STAAR Progress Measures. **Root Cause:** Lack of data driven instruction; Lack of fully developed Response to Intervention.

School Processes & Programs

School Processes & Programs Strengths

Krum Middle School is committed to the utilization of the district scope and sequence. Beginning teachers collaborate with veteran teachers to utilize the TEKS Resource System as one component of the curriculum. Veteran teachers provide the experience in supplementing the curriculum components to promote ownership and to meet individual needs of all students. A Campus Leadership Team (CLT) was created across all grade levels and content areas to ensure programming strives for student success. Faculty and staff regularly hold parent meetings to address various student needs. KMS is developing Professional Learning Communities based on Data Driven Instruction in partnership with ESC 11.

Krum Middle School teachers use a variety of best practices to reach all students during classroom instruction.

- Working to be 100% ESL and GT certified in core areas
- Fundamental 5 instructional model
- Nine Week Exam/Benchmark data disaggregation
- Regular Response to Intervention Meetings
- Intervention courses built into the master schedule
- Acceleration courses built into the master schedule
- Data disaggregation and planning days built into school calendar

Krum Middle School has a dynamic staff that is dedicated to students and their success. It is evident that the staff is focused on meeting the needs of all learners and represent a broad range of experiences and skills. Our professional development opportunities provide staff with the support to learn and focus on campus and curriculum initiatives.

- 100% Highly Qualified Staff
- Numerous Professional Development opportunities
- Administrative walk-through observations
- New Teacher Mentor Program

The strengths of Krum Middle School staff lies within the accomplishments of our students guided by a dedicated staff. We continue to develop a mindset that pushes each student to improve and meet state standards. Our motto at KMS is "Bobcats Do Right!" at school, at home, and in the community.

Comprehensive Support Strategies

Goal	Objective	Strategy	Description
1	1	1	Provide professional development opportunities in core areas.
1	1	2	Continue to use the scope and sequence provided by TEKS Resource System while allowing teachers to adjust the Year at a Glance where necessary.
1	1	3	Continue to use the Fundamental 5 Lesson Plan Model through Eduphoria.
1	1	4	Continue to post content and learning objectives noted in lesson plans in classrooms for students to read and discuss. "I will" and "We will" statements are posted each instructional day.
1	1	5	Continue to use the Eduphoria TEKS Bank to create assessments and learning activities.
1	1	6	Utilize Eduphoria to track student data for targeted instruction and planning effective lessons based on areas of weakness.
1	1	7	Monitor student progress through structured benchmark testing and intervention.
1	1	8	Increase instruction time in ELAR and Math. Provide 6th and 7th grade students enrolled in grade level courses with 90 minutes of ELAR instruction daily and two 90 minutes blocks in 8th grade. Provide 6th grade students enrolled in grade level math course 90 minutes of math instruction each day with 3 double blocks at the 7th and 8th grade level.
1	1	9	Utilize the DBQ curriculum and Brian Minor Curriculum Supplement in all Social Studies classrooms to provide opportunities for students to listen, speak, read, and write about the Social Studies.
1	1	10	Continue to purchase consumables for hands on experiments in all science classes.
1	1	11	Utilize WIN Time to provide promote character building, study habits, testing strategies, and pull out tutorials for all students.
1	1	12	Provide summer school for remediation and credit recovery.
1	1	13	Provide daily opportunities for students to attend tutorials based on current progress. Post the tutorial opportunities each morning in the cafeteria for students to view.
2	1	1	All core classroom teachers will become ESL certified within 2 years of hire.
2	1	2	Provide ELPS training updates throughout the school year, along with new staff training.
2	1	3	Effectively use strategies learned for teaching Limited English Proficient students through incorporating ELL TEKS into all lesson plans.

Goal	Objective	Strategy	Description
2	1	4	Use of the Hybrid Special Education Inclusion Model featuring a Special Education teacher partnering with a General Education teacher to increase exposure to General Education instruction with Special Education support for Special Education students in ELAR and Math.
2	1	5	Maintain Special Education Inclusion Support Model Science and Social Studies.
2	1	6	Continue to provide in-class support for SpEd, 504, and ELL students in core classrooms and through morning and WIN Time tutorial sessions.
2	1	7	Conduct SST (Student Support Team) meetings each grading period to address students that need additional support as part of a fully developed RTI process.
2	1	8	Provide after school accelerated instruction for ELL students for 3 weeks to prepare for the Reading and Mathematics STAAR test.
2	1	9	Continue to utilize IXL Math, ELAR, Science, and Social Studies to support increased STAAR growth measures for all learners.
5	1	1	KMS administration will regularly monitor student data to identify learners in need of assistance.
5	2	1	Intervention data will be tracked through regular RTI meetings.
