Vision

Joshua ISD will be a highly acclaimed model of educational excellence.

Mission

Joshua ISD develops productive citizens of exceptional character who are life-long learners.

What is a School-Parent Compact?

Our school-parent compact offers ways that we can work together to help our students succeed.

This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, and staff of Joshua ISD meet yearly to discuss student learning needs based on current grade-level data.

Our School-Parent Compact is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals. Parents are welcome to contribute comments at any time.
