2. Reports
    a. Intruder Based Audit -Performed by the Texas School Safety Center, the audit is a 3 phase process of checking interior and exterior doors on a randomly selected campuses, our district audit passed successfully by our campus safety patrol monitor being alerted and confronting the "intruder"
        i. Weekly Door Sweep- review of logging system used by our Safety Patrol Monitors to verify and keep record that daily door sweeps are being conducted and to alert administrative staff when there is an urgent issue with any door that has been checked. Weekly submission of door check evidence will be submitted to the Texas Education Agency.
    b. Raptor Emergency Management
        i. Raptor Alert Committee viewed a short video about the new emergency management system from Raptor. This system will link with the current standard response protocol that each campus currently utilizes for emergency situations. Some of the highlights are: drill tracking dashboard, Raptor Alert which is a silent alert that can be used from a cell phone of a staff member to notify the appropriate personnel, and a reunification process for tracking students accurately. Question was posed about the program linking to our daily attendance. Mr. Hickerson will communicate that question to our representatives from Raptor.
    c. SPAT Grant Program (Silent Panic Alert Technology) new grant offered by the state, JISD has been allocated funds of roughly 20 thousand dollars. This grant would assist in offsetting the cost of the Raptor Emergency Management system.
3. Subjects
    a. EOP
        i. Active Shooter/Threat Annex was referenced about the district submitting with the EOP to the Texas School Safety Center.
    b. School Marshall Program: individuals required to complete their LTC and psychological exam before participating in the required 80 hour training with TCOLE.
        i. LTC: district is hosting the LTC class for those interested in being school marshals. Currently three staff members have completed this training.
    c. Crosswalk - 9th/High School- It was suggested that we investigate crosswalk lights that run on timer, Mr. Hickerson will research, Mr. Galbreath asked that we have a substitute in place when and if our current crosswalk is out, Lt. Novian stated that when officers are available they can be more present at that crosswalk.
