

Casi Florida Chatman

Casi Florida Chatman was constantly seen running all over the city of Joshua, charting countless miles. She has been described as amazingly driven and passionate and has always been admired for her work ethic. For her sacrifices, courage and talent, she was rewarded as a four time University Interscholastic League state champion in the distance running events for Joshua High School. During her junior year, she won the Class 4A state championship in the mile and was second in the two mile. In her senior year, she won the “triple crown” – the state cross

country meet and the one and two mile events. She held the 4A state record of 10:41.60 in the 2 mile event. While competing at Abilene Christian University, she was the winner of the Junior National Cross Country Championship and won the NCAA Division II indoor title in the 5,000 meter run. Mrs. Casi Florida Chatman is honored for her time, effort and contributions to our past, and in establishing a standard of excellence for our future Owls.
