Additional industry based certifications information is available from the TEA CTE website. For more information on postsecondary options for this program of study, visit TXCTE.org.

The Accounting and Financial Services pathway teaches CTE concentrators how to examine, analyze, and interpret financial records. Through this program of study, students will learn the skills necessary to perform financial services, prepare financial statements, interpret accounting records, give advice, or audit and evaluate statements prepared by others. This program of study will also introduce students to mathematical modeling tools.
