

FAMILY **SKYWARD**[®] ACCESS

HOW DOES IT WORK?

The title is centered at the top of the slide. It is surrounded by five circles of varying shades of light blue and white. Below the title, there are three blue curved lines in the bottom left corner.

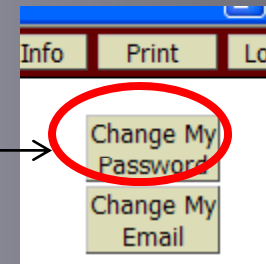

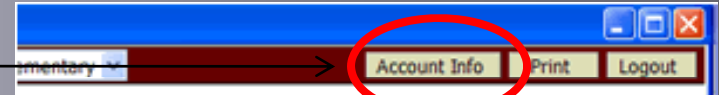

- Parents are assigned a secure log-in and password generated via the school or district office through Skyward Student Software
- Link from school website or a URL
- Student information is available in “real time”—right from the Skyward Student Database

LOGGING INTO FAMILY ACCESS

- Click on the Family Access link under Site Shortcuts on the JISD website.
- Enter the username and password listed on the form you received at your campus when you registered for Family Access.
- Click the Login button.

CHANGING YOUR PASSWORD

- Click on Account Info.
- Click on the Change My Password Button.
- Enter the new password information and click Save.

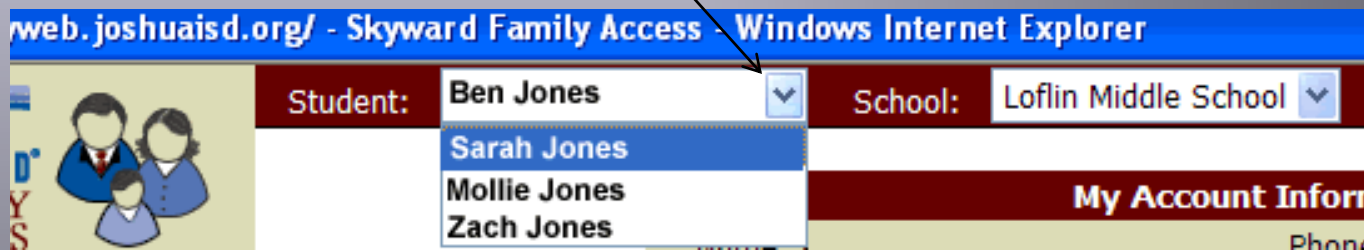

A screenshot of the 'Change my Password' form. The form has a dark red header with the title 'Change my Password'. It contains three input fields: 'New Password: *****', 'Retype New Password: *****', and 'Current Password: *****'. Below the fields is a message: 'password is required before saving changes to your Account.' To the right of the form are two buttons: 'Save' and 'Back'. The 'Save' button is circled in red, and an arrow points from the third bullet point of the instructions to it.
