May I keep my athletic eligibility?

- ✓ Running Start students must meet the same athletic eligibility standards that are required of any student enrolled in the Puyallup School District.
- ✓ Students must meet the Washington Interscholastic Activities Association (WIAA) standard in scheduled classes and comply with local school attendance eligibility policies required of all students.
- ✓ The Running Start student shall maintain a 2.0 grade average during the previous and current high school semester or college quarter.
- ✓ Students planning to participate in collegiate athletics must ensure that all Running Start/college courses meet NCAA eligibility requirements.
- ✓ For additional information, clarification and eligibility verification, Running Start students are encouraged to connect with their school's Athletic Director.
