

AJAC
Aerospace Joint Apprenticeship Committee

LAUNCH YOUR CAREER IN ADVANCED MANUFACTURING

AUTOMATION | SPACE | AEROSPACE | FOOD PROCESSING

YOU WILL EARN:

- ☑ AJAC Bootcamp Certificate of Completion
- ☑ OSHA 10, First-Aid/CPR Certification
- ☑ 15 College Credits
- ☑ 3 Apprentice-Level Classes
- ☑ Industry & Apprenticeship Exposure
- ☑ Industry-Specific Job Coaching

HOW IT WORKS:

AJAC has restructured our Youth Apprenticeship program due to the COVID-19 global pandemic to ensure our students and apprentices can maximize the opportunity to participate while maintaining safety guidelines and taking any necessary precautions.

AJAC has developed 3 steps for prospective students interested in participating in the 2021 school year. These pathways provide flexibility to our school districts, students, and employers for different levels of engagement.

STEP 1
BOOTCAMP

- 30 Hours of live lecture and in-person learning
- Understand the manufacturing industry and employment prep
- Earn industry certifications and COVID safety protocols

STEP 2
AJAC CLASSES

- 3 AJAC classes starting fall 2021
- 15 college credits total
- Check-in after fall quarter
- Includes company tours, job shadowing, and networking with industry mentors

STEP 3
APPRENTICESHIP

- Interview with AJAC's partnering employers
- Complete all 3 AJAC classes
- Complete 2,000 hours of paid on-the-job training
- Earn Journey-Level Credential

This program is an equal opportunity program. Training of apprentices shall be without discrimination based on race, sex, color, religion, national origin, age, disability, veteran status, sexual orientation, gender identity or as otherwise specified by law. AJAC also encourages women, minorities and veterans to apply with their employer. Auxiliary aids and services are available upon request to individuals with disabilities.
