**Recommendation/Motion:** Approval for Lexmark International to execute Memorandum of Understanding with the Lexington-Fayette Urban County Government (LFUCG) for the granting of a Permanent Sewer Easement and a Temporary Construction Easement at 450 Park Place (Lexmark Building 82) as described below.

**Background/Rationale:** LFUCG is planning the replacement of the sanitary sewer line west of the 450 Park Place building to meet the conditions of the EPA consent decree. On May 20, 2019, the Board authorized the Superintendent to negotiate the purchase of 450 Park Place with an anticipated closing date of November 1, 2019. The actual work will be performed after the Board purchases the property. Therefore, Lexmark International is requesting approval from the Board for Lexmark International to execute a Memorandum of Understanding (MOU) with LFUCG concerning these easements.

The MOU involves the conveyance of a temporary easement of 9,273 square feet for construction, a permanent sanitary sewer easement of 414 square feet, and the release of 2,066 square feet of existing easement, for all of which Lexmark International will be paid \$1,159.13. This project involves the reconfiguration and improvement of an existing sanitary sewer easement located within the 100 year flood plain located along the west boundary of the property.

Terms and conditions will be included in the MOU (and subsequent deeds) that will require LFUCG to repair or replace any and all property damaged. The temporary construction easement is expected to last until the project is completed. The work will be provided at no cost to FCPS. The total compensation as set forth above was negotiated between Lexmark International and LFUCG. Lexmark International has agreed that if the Board owns the property at the time of payment, then the payment will go to the Board.
