TOPIC: Approval to Withdraw the BG-1 Project Application for the Renovation of Tates Creek High School BG# 19-079

Superintendent Prior Approval: No

Recommendation/Motion: Approve the withdrawal of the BG-1 Project Application for the renovation of Tates Creek High School, subject to the approval of the Kentucky Department of Education, District Facilities Branch, per the provisions of 702 KAR 4:160.

Background/Rationale: The renovation of the existing Tates Creek High School was listed as priority 1.c.7. on FCPS's 2017 District Facility Plan and the initial BG1 was approved October 22, 2018. Upon submission and review of the initial BG1 to the Kentucky Department of Education, it was determined that the current building should not be renovated, but a new Tates Creek High School should be built on the same site. This caused the Local Planning Committee (LPC) to reconvene to amend the 2017 District Facility Plan (DFP). The amended 2017 DFP was approved by the Kentucky Board of Education (KBE) at its October 2, 2019 meeting. KDE has advised the District to continue the path of approval of design documents for the new construction under the auspices of this BG project (#19-079) in order to keep the project on schedule for construction to start summer of 2020.

It is now time to withdraw this BG-1 Project Application for the renovation. A new BG project application (BG# 20-062) is being approved simultaneously for the new construction of Tates Creek High School. All documents approved by KDE under this renovation BG project application (BG# 19-079) will be transferred to the new project (BG# 20-082). Also, all funds and fund sources approved under this renovation BG project application will be transferred to the new project (BG# 20-082).

MEETING: Regular DATE: November 25, 2019

TOPIC: Approval of Initial BG-1 Project Application for the New Construction of Tates Creek High School BG# 20-082

PREPARED BY: Myron Thompson, Chief Operating Officer @ 381-4165

Superintendent Prior Approval: No

Recommendation/Motion: Approve a BG-1 Project Application for the new construction of Tates Creek High School in the amount of \$88,017,025 (Eighty-eight Million, Seventeen Thousand, Twenty-five Dollars), subject to the approval of the Kentucky Department of Education, District Facilities Branch, per the provisions of 702 KAR 4:160.

Background/Rationale: The construction of a new Tates Creek High School is listed as priority 1.b.3. on FCPS's 2017 (amended) District Facility Plan. The Director of FCPS Facility Design & Construction has drafted a preliminary cost estimate for the new construction, yielding a final project of approximately 304,354 SF (includes auxiliary gym) plus an additional 66,766 SF of shell space and basement, to serve 1,866 students. The program is consistent with other recent FCPS high school projects. Project cost estimates are based on the most recent construction bids and include: design and financing fees; furnishings; surveys; and other miscellaneous costs. The project design must continue in order to meet an expected completion date of late 2022. This project was initially approved as a renovation under BG# 19-079, which is being withdrawn simultaneously by the Board. Tate Hill Jacobs Architects was approved as the design consultant for this project at the Board's September 24, 2018 meeting.

Based on the rationale above, a BG-1 Project Application is required as follows:

Table with 2 columns: Item Name and Initial BG-1 Project Application Budget. Items include Total Construction Cost, Contingencies, Architect/Engineer Fee, Fiscal Agent Fee, Bond Discount, Equipment/Furnishings, Equipment/Computers, Technology Network Systems (KETS), Telephone, etc., Site Acquisition, Site Survey, Geotechnical Investigation, Special Inspections, and Commissioning.

TOPIC: Approval of Permanent Right-of-Way (Permanent Easement) and Temporary Construction Easement to United States Government (Veterans Hospital) on the Leestown Middle School Property

PREPARED BY: Myron Thompson, Chief Operating Officer @ 381-4165

Superintendent Prior Approval: No

Recommendation/Motion: Authorize the Chair to accept and execute the Right of Way Agreement (easement) and authorize the Superintendent to accept and execute all subsequent documents required to finalize the agreed transaction set out therein and as agreeable to the Superintendent from the United States Government (Veterans Hospital), the granting a 15' right of way (permanent easement) and the granting a 40' temporary construction easement for which FCPS will be paid the appraised value based upon an appraisal from a qualified appraiser to be determined at a later date.

Background/Rationale: AU Development, Inc. has leased property from the United States Government (Veterans Hospital) to develop the Leestown VA Housing Project, which will be 50 units of affordable housing for homeless veterans and their families. This project is located across Opportunity Way from Leestown Middle School. A small easement on the far southern corner of the Leestown Middle School site (the furthest location from the school building) is needed in order to run a sanitary sewer line and connect to a manhole near the edge of the property. This disturbance requires granting a 15' right of way (permanent easement) and the granting a 40' temporary construction easement for which FCPS will be paid the appraised value based upon an appraisal from a qualified appraiser to be determined at a later date. Pavement, lawn, fencing and other materials disturbed by the construction will be replaced to match existing. This work will be provided at no cost to FCPS. The Right of Way Agreement will also be executed on behalf of the Fayette County School District Finance Corporation, which has a standing resolution authorizing the execution of any easement that has been approved by the Board of Education.

Since July 1, 2014, the US Department of Agriculture's Smart Snacks in School rules have required all foods and beverages sold separate from school meals to meet new nutrition standards. Often referred to as "competitive foods," because they are sold in competition to the complete reimbursable school meal, these items include entrees, sides, snacks or drinks sold during the school day in vending machines, snack bars and a la carte lines. The rules do not apply to food and beverages brought from home or sold during non-school hours, weekends or at offcampus events (e.g. concessions during sporting events and school plays).

The USDA Summer Meal Program was established to ensure children continue to receive nutritious meals when school is not in session. The Summer Meal Program provides free meals to kids 18 years and younger in many locations across the country regardless of income, race, sex, religion, or nationality. Fayette County is fortunate to have three organizations who provide free summer meals across the county: FCPS Child Nutrition, God's Pantry & Employment Solutions.

Anyone interested in knowing more about summer feeding meals and locations please refer to the resources below. Feeding Sites are usually updated toward the end of May.

CACFP AFTERSCHOOL DINNER PROGRAM

When school is out and parents are still at work, children need a safe place to be with their friends, with structured activities, supportive adults, and good nutrition. FCPS celebrates another successful year serving dinner meals at 27 schools (SY 2018/19)

Our CACFP (Child & Adult Food Program) afterschool dinner program gives children and teenagers the nutrition they need, and draw them into constructive activities that are safe, fun, and filled with opportunities for learning. Through the At-Risk Afterschool Meals component of the federally funded CACFP, healthy meals can be served to children and teenagers who participate in afterschool programs in low income areas. To participate, these programs must (1) be a school providing students an afterschool program during the regular school year;(2) provide organized, regularly scheduled activities;(3) include educational or enrichment activities, like arts and crafts, computer lessons, or homework help; and (4) be located in an eligible area.

FRESH FRUIT & VEGETABLE PROGRAM

The Fresh Fruit and Vegetable Program (FFVP) is a federally assisted program providing free fresh fruits and vegetables to children at eligible elementary schools during the school day. The goal of the FFVP is to introduce children to fresh fruits and vegetables, to include new and different varieties, and to increase overall acceptance and consumption of fresh, unprocessed produce among children. The FFVP also encourages healthier school environments by promoting nutrition education.

School Nutrition
GOES DIGITAL

In the Fall of 2018, all school cafeterias upgraded to a new POS (Point of Sale) software. One of the advantages of the new system was to allow middle & high school students to scan badges for a reimbursable meal instead of using a PIN.

In addition, we also upgraded our BOH (back of house) system so that ordering, meal planning and daily production are now computerized & more efficient services.

REPORT ON 2018 FINANCIAL RECORDS
AUDIT FOR FAYETTE COUNTY PUBLIC SCHOOLS

Background:

The Kentucky Department of Education annually requires submission of the Annual Financial Report (AFR) following the close of the fiscal year, which is June 30. The State Committee for School District Audits requires all local school Districts to provide an annual independent audit of the financial records and Accounts under the Board's control. The audit covers the entire fiscal year ending June 30, 2019.

Each audit is expected to accurately reflect the financial position of the district on June 30, 2019 and to include audit suggestions and recommendations for management. Management responses are included in the report. They become action plans for the successive year(s).

KDE requires selection of the independent audit firm by competitive bidding. Strothman & Company, Louisville, KY conducted the audit. The audit includes all district funds and is inclusive of school activity funds.

Rationale:

The audit disclosed no material instances of noncompliance with the requirements of the Governmental Accounting Standards Board and the Office of Management and Budget Circular 2CFR 200(F) Audits of State and Local Governments with respect to the items tested. The district received the highest grade possible, which is an "unmodified opinion".
