

Local Planning Committee Zoom Meeting March 26, 2020 5:30pm

Members in Attendance: Tracy Curtis, Bari Douglas, Lars Finneseth, Dallam Harper, Jessica Hiler, Latonya Meekins, Chris Salyers, Lynn Schentrup, Alan Stein, Myron Thompson, Randall Vaughn, Chris Woodall

Staff in attendance: Melinda Joseph-Dezarn, Sherry Price

Bari Douglas made a motion to begin the meeting, Alan Stein made a second at 5:34 pm.

Myron began the meeting with saying these are unprecedented times and thanked everyone for joining the Zoom meeting.

Melinda displayed the Amendment 2 information that she sent to Kentucky Department of Education (KDE).

Girls' STEM for grades K-8 (new program and new construction); and
CTE Merger for grades 9-12 (combine Southside and Eastside Technical Centers into one new facility)

Melinda also presented the DFP that KDE had returned with changes and comments. KDE asked that the plan be cleaned up. Melinda is going to meet with Career and Technical Education folks and get some square footage and enrollment numbers. A vote will not be needed tonight.

Questions?

When will you all have this together? Spring Break is next week so at least 3 weeks out. We will send the revised DFP back to KDE and have another meeting.

Will we have to meet again? Yes.

Latonya Meekins made the motion to adjourn with a second from Dallam Harper. Adjournment 5:43pm.
