WORDS FROM WILLIAMS

Athens-Boonesboro Family,

My name is Joshua Williams and I am honored to serve as your Principal. Prior to being named Principal, I was an Academy Principal helping to open Frederick Douglass High School, and an Elementary Principal in Louisville, Ky.

I am excited to announce that our new school will be "Arts Integrated"! From Special Areas to Core Curriculum, our students will be provided with diverse opportunities to learn through the lens of arts education. Through sound and movement in the classroom and expressing feelings through creative writing, our students are going to be awarded the unique opportunity to learn in an environment that allows them to access every part of their brain.

As an educator, we have the responsibility to ensure that ALL of our students are actively engaged, achieving at high levels, and are prepared to excel in a global society. I am quite confident that the school we are creating will do just that! I look forward to meeting with you all and I cannot wait to see what the future has in store for our journey. See you soon!

Joshua A. Williams
