

Parent Bulletin Friday 26th May 2023

Dear Parents and Carers

Exams have continued at pace this week and student conduct and effort has remained exemplary. I hope that continues after half term. My thanks also to so many Year 10 parents who came to last night's parents' evening. There was a great buzz around school.

We had Year 10 students attend a Duke of Edinburgh practice expedition last weekend in the glorious sunshine. They tried very hard and did plenty to prepare for the real thing. We also had an introduction to Seniores for Year 10s on Wednesday evening and a Year 9 Classics event at Reading University.

I was pleased to announce in my video message to students today that Mohammed Latif in Year 12 will be next year's Student President with our two Vice-Presidents being Nabila Abdalla and Abdullah Mahmood. Congratulations to all of them.

Next week is the half term holiday and school restarts on Monday 5th June at 8.25am for everyone. Over the break Year 11 and 13 students need to ensure they do plenty of revision for their exams after the break.

I hope you all have a great half term holiday.
