2022-23 Phase One: Continuous Improvement Diagnostic for Schools

The **Comprehensive School Improvement Plan or CSIP** is defined as a *plan developed by the school council, or successor, and charter schools with the input of parents, faculty, and staff, based on a review of relevant data that includes targets, strategies, activities, and a time schedule to support student achievement and student growth, and to eliminate gaps among groups of students.*

The comprehensive school and district improvement plan process is outlined in 703 KAR 5:225. The requirements included in the administrative regulation are key components of the continuous improvement process in Kentucky and ultimately fulfillment of school, district, and state goals under the Kentucky State Plan as required by the Every Student Succeeds Act (ESSA).

While the regulation outlines a timeline for compliance purposes, the plan itself is a strategic and proven approach to improve processes and to ensure students achieve. The timeline for the school's 2022-23 diagnostics is as follows:

Phase One: August 1 - October 1

- Continuous Improvement Diagnostic for Schools
- School Safety Report
- Executive Summary for Schools

Phase Two: October 1 - November 1

- The Needs Assessment for Schools
- School Assurances

Phase Three: November 1 - January 1

- Comprehensive School Improvement Plan

Phase Four: January 1 - December 31

- Professional Development Plan for Schools (Due May 1)
- Progress Monitoring

As principal of the school, I hereby commit to implementing continuous improvement processes with fidelity to support student achievement and student growth and to eliminate achievement gaps among groups of students. I also assure that the comprehensive school improvement plan is developed by the school council, (where applicable) with the input of parents, faculty, and staff.

2022-23 Phase One: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Coventry Oak Elementary opened our doors in fall 2016 in a residential area near the junction of Georgetown and Spurr roads. Our school name blends two important neighborhoods in northwest Lexington – Coventry, a newly established neighborhood, and Oakwood, a historic one. Coventry Oak Elementary school is diverse - socioeconomically, racially, in ethnicity and culture. We love to celebrate our uniqueness, and promote respect and discovery among us all. Our motto is “Challenge minds, create learners, cultivate futures.” Coventry Oak is laying the foundations for a bright future. We have developed a solid mission, vision and creed that establishes our hopes, dreams and promises for the futures of our children. Our innovative staff consists of a leadership team (Principal and the Professional Growth and Effectiveness Coach) in collaboration with the Child Guidance Specialist, Positive Behavior Intervention Supports Coach, Family Resource Center Coordinator, 2 Mental Health Specialists and the Social Worker. Beyond our leadership staff we have 26 classroom teachers, 2 preschool teacher, 5 special area teachers, 6 full-time special education teachers (1 MSD), 5.5.5 English as a Second Language teachers, 2 reading recovery interventionists, 5 reading/math interventionist, a speech language pathologist, an occupational therapist, a school psychologist, a diagnostician, a Special Education Facilitator and a gifted/talented teacher.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Mission statement: Our mission is to challenge minds, create lifelong learners and cultivate kindness through a collaborative community that prepares every child for a successful future. Vision statement: All Coventry Oak Elementary students will be respectful, responsible, prepared, problem solvers at school and within the community. Coventry Oak is continuing to lay the foundations and experiencing great success. Thus far, we have developed a solid mission, vision, and creed that establishes our hopes, dreams, and promises for the futures of the children we serve. We have created and designed instruction that aligns to the Common Core State Standards (CCSS) as well as promoting a Project-Based/ Personalized Learning platform for all students and all standards. Our students are now 1:1 in grades K-5 with Chromebook and iPad technology. Inquiry based instruction is not limited to just our science lab here at Coventry Oak. We believe that students learn best by experiencing content through explicit instructional opportunities. This is seen in the classroom, but also through our Coventry Oak Exploration Days with in-school clubs that build knowledge and experiences for students to make real life connections in their learning. We believe that school is beyond our four walls and can be promoted through varieties of learning opportunities. With that said, it is also important that we meet the needs of the whole students by reducing barriers to learning that students may experience. To help meet these needs, we have developed a strong Student Support Team that consists of our Guidance Counselor, School Social Worker, Family Resource Coordinator, Mental Health Specialists, Admin Dean (PBIS Coach), PGES Coach, Assistant Principal, and the Principal.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Notable of Achievements in the past three years: - 2020 increased EL proficiency on the ACCESS by 24.5% (exceeding our state goal by 20.8%); 2020 state recognition for Family Resource Coordinator (Harry J. Cowherd Award for Center Excellence); 2021 state recognition for School Guidance Counselor (2021 Kentucky Elementary School Counselor of the Year); 2020 established Latino Literacy Project; 2021 Family Resource Center awarded the GEER II Grant; 2021 Coventry Oak student pinned Junior Fire Chief of the Year; 2018 Awarded Bronze Banner for PBIS Fidelity Implementation; 2019 Awarded Silver Banner for PBIS Fidelity Implementation; 2020 & 2021 Awarded Gold Banner for PBIS Fidelity Implementation; 2019 awarded the 21st Century Learning Grant; 2018 STLP advanced to state level competition in two categories; 2017-18 Academic Team placed 2nd in regional competition; 2018 received FCEA grant; 2018 received Wellness Banner; PBIS (Positive Behavior Interventions and Supports) School - Established - Sustainability + Wellness Board Recognition: Bronze Blossom Wellness - Regional Level Achievement - STLP Club - 1:1 Student Technology Devices - Established - REAL Men Read Program; Awarded the RTA (Read to Achieve) Grant; Awarded Partners for Youth Grant In the upcoming years, the school is striving to continue novice reduction and show very high growth in reading and math.

Additional Information

CSI/TSI (including ATSI) Schools Only: Describe the procedures used to create the school's improvement plan and briefly state the specific efforts to address the causes of low student performance and resource inequities.

The school underwent an audit in the winter of 2019 that involved administrators,

students, staff, families, and community members. The families were able to provide input not only during the audit, but also during a forum to imagine what characteristics and skills they would like their child to obtain while at Coventry Oak. Using the results from the audit and the parent forum, a team of administrators and teachers developed the school's improvement plan through strategic planning the directives of a professional consultant, Cambridge Education. The plan was presented and approved by the FCPS Board of Education.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

As we have developed our role in our community and we have established several community partnerships. Some of those include YMCA, Bethune Institute, Georgetown College, Lexington Police Department, Lexington Fire Department; Matthew Mitchell Foundation, Nerd Squad, Spellbinder, District High School affiliations with Teens Against Tobacco, Dunbar Peer Tutors, Junior Achievement, and Fifth Third Bank. In addition, our Family Resource Center has established partnerships with God's Pantry, Health First of the Bluegrass (Dental Van), Bluegrass United Christian Church, Circle of Love, Emerald 24, Fayette County Operations Department, Fayette Electric, Sweet Dream Project, Salvation Army, Clothing Center, and more.

2022-23 Phase Two: The Needs Assessment for Schools

Understanding Continuous Improvement: The Needs Assessment for Schools

The Needs Assessment Diagnostic will facilitate the use of multiple sources of data to determine the current reality and establish a foundation for decision-making around school goals and strategies. Once completed, the diagnostic will lead to priorities to be addressed in the comprehensive school improvement plan to build staff capacity and increase student achievement. The needs assessment is to be conducted annually as an essential part of the continuous improvement process and precedes the development of strategic goals (i.e. desired state).

While the focus of continuous improvement is student performance, the work must be guided by the aspects of teaching and learning that affect performance. An effective improvement process should address the contributing factors creating the learning environment (inputs) and the performance data (outcomes).

The needs assessment provides the framework for all schools to clearly and honestly identify their most critical areas for improvement that will be addressed later in the planning process through the development of goals, objectives, strategies and activities. 703 KAR 2:225 requires, as part of continuous improvement planning for schools, each school to complete the needs assessment between October 1 and November 1 of each year and include: (1) a description of the data reviewed and the process used to develop the needs assessment; (2) a review of the previous plan and its implementation to inform development of the new plan; and, (3) perception data gathered from the administration of a valid and reliable measure of teaching and learning conditions.

Protocol

1. Clearly detail the process used for reviewing, analyzing and applying data results to determine the priorities from this year's needs assessment. Include names of school councils, leadership teams and stakeholder groups involved, a timeline of the process, the specific data reviewed, and how the meetings are documented.

School data is reviewed in Instructional Leadership Team and PLC meetings to discuss instructional results and needs. These teams consists of grade level representatives, interventionists, instructional coaches and administration. Data results are presented to the School Advisory Council monthly for review and feedback. The Advisory Council consists of two parents, three teachers and the principal. Additional survey data collected throughout the year from families consist of the Title 1 survey, Family Resource survey and PBIS survey.

Review of Previous Plan

2. Summarize the implementation of the goals, objectives, strategies and activities from the previous year's Comprehensive School Improvement Plan (CSIP). What was successful? How does it inform this year's plan?

In reviewing last year's goals Coventry has shown some improvement in the combined reading and math percentage of students scoring proficient/distinguished from 39.4 to 41.0. There was also improvement in the combined science, social studies, and writing scores with a total of 40.2. Our ELL proficiency score was also 46.9 which was an increase.

Trends

3. Analyzing data trends from the previous two academic years, which academic, cultural and behavioral measures remain significant areas for improvement?

Example of Trends

- The number of behavior referrals increased from 204 in 2020-21 to 288 in 2021-22.
- From 2020 to 2022, the school saw an 11% increase in novice scores in reading among students in the achievement gap.

The 2021-2022 KSA data showed less than 25% proficiency in both reading and math. Our KSA data showed achievement gaps among the subgroups of Hispanic, African American and White students; in the KSA data the school saw a gap with White students performing at a higher level than Hispanic and African American. We also have an achievement gap with our students with disabilities in reading and math. These trends also show up in our Fall MAP data for reading and math.

Current State

4. Plainly state the current condition of the school using precise numbers and percentages as revealed by multiple sources of outcome data. Cite the source of data used.

Example of Current Academic State:

- Thirty-four percent (34%) of students in the achievement gap scored proficient on Kentucky Summative Assessment (KSA) in reading.
- Fifty-four percent (54%) of our students scored proficient in math compared to the state average of 57%.

Example of Non-Academic Current State:

- Teacher attendance rate was 84% for the 2021-22 academic year.
- Survey results and perception data indicated 62% of the school's teachers received adequate professional development.

The 2021-2022 Brigance revealed that 60% of kindergarten students did not meet the national standards for being Kindergarten readiness. Current MAP data for Fall 2022: 35% of students scored in the average to high performance category on the Reading portion of the MAP test for fall. 30% of students scored in the low performance category on the Reading portion of the MAP test for fall. 47% of students scored in the average to high performance category on the Math portion

of the MAP test for fall. 30 % of students scored in the low performance category on the Math portion of the MAP test for fall.

Priorities/Concerns

5. Clearly and concisely identify the greatest areas of weakness using precise numbers and percentages.

NOTE: These priorities will be thoroughly addressed in the Comprehensive School Improvement Plan (CSIP) diagnostic and template.

Example: Sixty-eight percent (68%) of students in the achievement gap scored below proficiency on the Kentucky Summative Assessment (KSA) in reading as opposed to just 12% of non-gap learners.

Teachers and administration are looking at our MTSS and Intervention frameworks to ensure that we are meeting the needs of all students and meeting them where they are with their current state of learning. For grades 3- 5 Fall MAP data reflected less than 50% proficiency in Math and ELA. In addition, our Family Resource Coordinator and Systematic Problem Solving (SPS) team are closely monitoring the non-academic needs of students and families that may be a barrier to learning through the pandemic.

Strengths/Leverages

6. Plainly state, using precise numbers and percentages revealed by current data, the strengths and leverages of the school. Explain how they may be utilized to improve areas of concern listed above.

Example: Reading achievement has increased from 37% proficient to its current rate of 58%. The systems of support we implemented for reading can be adapted to address our low performance in math.

Coventry Oak exceeded our EL ACCESS 2022 goal. The goal set from KDE was 21.5, but our actual score was 46.9. KSA writing proficiency did increase in spring 2022(remains at 45.4%). We remain at Gold Status for PBIS. We have a fully functional PBIS team, Family Resource Center and Systematic Problem Solving (SPS) team to meet the needs of our high need population. All students receive tier 1 SEL and the program Second Step if utilized as tier 2 intervention as needed.

Evaluate the Teaching and Learning Environment

7. Consider the processes, practices and conditions evident in the teaching and learning environment as identified in the six Key Core Work Processes outlined below:

[KCWP 1: Design and Deploy Standards](#)

[KCWP 2: Design and Deliver Instruction](#)

[KCWP 3: Design and Deliver Assessment Literacy](#)

[KCWP 4: Review, Analyze and Apply Data](#)

[KCWP 5: Design, Align and Deliver Support](#)

[KCWP 6: Establishing Learning Culture and Environment](#)

Utilizing implementation data, perception data, and current policies and practices:

- a. Complete the [Key Elements Template](#).
- b. Upload your completed template in the attachment area below.

After analyzing the Key Elements of your teaching and learning environment, which processes, practices or conditions will the school focus its resources and efforts upon in order to produce the desired changes?

Note that all processes, practices and conditions can be linked to the six Key Core Work Processes.

NOTE: These elements will be thoroughly addressed in the Comprehensive School Improvement Plan (CSIP) diagnostic and template.

Attached you will find the Key Elements Template

PLC Focus on Teaching, Learning, and Assessment Literacy				
Goal Alignment	Strategy	Activities	Measure/Monitoring	Funding Source
Reading, Math, Science, SS, Writing, EL Progress	KCWP 2 - Design & Deliver Instruction :	<p>Develop, implement, and monitor strong effective PLCs using the district PLC Framework. Sustain the system for designing and delivering instruction using high yield instructional strategies in order to ensure that all students are receiving highly effective instruction at appropriate levels of rigor.</p> <p>Administration and support staff will design, align, and deliver support for Science, Social Studies and Writing classroom activities to ensure that resources are aligned to needs in order to make all systems work together for continuous improvement and success. Administration will monitor student data regularly and to ensure a continuous improvement model that monitors what is working</p>	<p>PLC monitoring/observation/self assessment</p> <p>Classroom observations</p>	N/A
Reading, Math, Science, SS, Writing, EL Progress	KCWP 1 - Design & Deploy Standards	<p>Ensure that standard deconstruction and backwards planning are occurring at an efficient and high level. Grade level classroom teachers will collaborate to refine the planning process for science to ensure they are teaching grade level content, teaching science standards, and using appropriate learning targets. Amplify will be taught with fidelity at all grade levels and unit assessment data will be administered and results will be analyzed to make curricular decisions. PLC minutes will reflect collaboration around</p>	<p>PLC monitoring/observation/self assessment</p> <p>Common assessment monitoring</p>	N/A

		<p>planning for science. Lesson Review will show science standards alignment to instruction. Data Analysis will show an increase in students' mastery of science standards when compared to previous year's data. Grade level classroom teachers will collaborate to refine the planning process for social studies to ensure they are teaching grade level content, teaching social studies standards, and using appropriate learning targets. My World will be taught with fidelity at all grade levels and unit assessment data will be administered and results will be analyzed to make levels and unit assessment data will be administered and results will be analyzed to make curricular decisions.</p>		
<p>Reading, Math, Science, SS, Writing, EL Progress</p>	<p>KCWP 3 - Design and Deliver Assessment Literacy</p>	<p>Develop rigorous grade level common assessments that allow for assessment literacy practice. School administration and grade level teams will use formative and summative evidence to inform what comes next for individual students and groups of students by analyzing data and making a plan for next steps of instruction to ensure that students reach mastery of standards.</p>	<p>Common assessment monitoring</p> <p>PLC observation</p> <p>Common Planning with Admin Team using Galileo</p>	<p>N/A</p>
<p>Reading, Writing, EL Progress</p>	<p>KCWP 2 - Design and Deliver Instruction</p>	<p>High quality Reading and Writing Professional Learning. Formative and summative assessment data will be analyzed bi-weekly and based around unit assessment data within PLCs and instructional team meetings. Administration and support staff will monitor the fidelity of implementation and provide feedback and support as needed.</p>	<p>Classroom observations</p> <p>Common assessment monitoring</p>	<p>ESSER & School Funds</p>
<p>Reading, Math, Science, SS, Writing, EL Progress</p>	<p>KCWP 4 - Review, Analyze, Apply Data Results</p>	<p>Continue to monitor results and refine data trackers for use of refinement and improvement The administration team will work with teachers in PLCs to plan strategically in the selection of high yield instructional strategy</p>	<p>Common assessment monitoring</p> <p>District Common Assessments on ADAM (Pearson)</p>	<p>N/A</p>
