

Dear Parents and Campers,

We extend a warm “welcome” to our new camp families joining us for the first time this summer and to our returning campers and families. Summer Camps at Maclay started more than thirty years ago and has grown into a fun, full summer filled with a variety of academic, athletic, artistic, and just plain fun activities for all ages. We like to say it's more than a camp – it's an experience!

We are excited to have your child registered for **Dungeons and Dragons Camp beginning Monday June 12th, from 9:00 am-3 pm.** Our Summer Camp team has spent the last several months preparing for an awesome summer for your camper. Please review the information below before the first day of camp.

What to bring to camp each day:

- Water bottle
- Snack
- D&D miniatures (if you have them). If you don't have any, don't worry! We have miniatures you can use.
- Dice and a rolling tray (if you have them). Again, if you do not have these, we can provide them.
- If you have the D&D 5E rulebook, please bring it with you for ease of reference while playing. As with the above items, we will have a rulebook for anyone who needs to consult it.

Daily activities:

- Day 1 (Monday) will focus on character creation. Think about the following questions to help us craft your character for our adventure.
 - What race is your character (Elf, Human, Orc, Tiefling, etc.)?
 - What is your character seeking? Glory and fame? Freedom? To regain their lost inheritance? Or do they have a dark secret they seek to hide...
 - And remember, you will be roleplaying this character; create someone you would have fun portraying.
 - We will generate character stats, craft backstories, and then work on painting miniatures to represent them. If you have miniatures you would like to use for this purpose, please bring them. Miniatures and painting supplies will be provided.
- Days 2 through 5 will take us through our adventure.
