

FOSTERING COMMUNITY PRIDE

We proudly serve over 6600 students and have become a destination district for students and families throughout Minnesota. Our vision statement reflects our commitment to students:

STMA Schools will be the pride of our community, educating the whole student, with excellence in academics, arts, activities, and athletics through the empowerment of a world-class staff.

We achieve our vision in partnership with our supportive parents, generous community, extraordinary staff, and hard working students. **Together, we celebrate our roots and work towards a thriving, vibrant future.**

COMMITTED TO STUDENTS FIRST

Our longstanding tradition of excellence is closely tied to the emphasis we place on focusing our resources on students. This core value guides our work and is an essential ingredient in our success. Each of our 8 schools is committed to innovation and continuous improvement. Our learning environments are carefully designed to create self-directed individuals, effective communicators, and active, responsible, and respectful community members. Because we are dedicated to helping students feel valued, safe, connected, and respected, our caring staff work to ensure that every student who enters our doors feels welcome, engaged, and inspired.

90% of secondary students report they feel safe while at school.

PROVIDING EXCEPTIONAL OPPORTUNITIES

We are preparing students for a future we can only imagine. We are committed to excellence and offer many opportunities for students to help them embrace the possibilities. This starts in the classroom, where our rigorous pre k - age 21 curriculum along with personalized learning focuses on the **knowledge and skills necessary for success in the 21st century**. High quality instruction and effective programming ensure students are prepared for the jobs of tomorrow.

Learning and growth occur outside of the classroom as well. Students at STMA not only excel in academics but also in the arts, activities, and athletics. Our students and teams are consistently recognized at the regional, state, and national levels.

**STMA outperforms
state & national
averages on
ACT scores—**

Average composite scores:

National = 19.8

MN = 21.0

STMA = 22.0
