## **CURRICULUM**

### **REQUIRED LAW THAT POLICY MEETS (IF APPLICABLE)**

106.345 (2)(g) The local superintendent shall determine which curriculum, textbooks, instructional materials, and student support services shall be provided in the school after consulting with the local board of education, the school principal, and the school council and after a reasonable review and response period for stakeholders in accordance with local board of education policy. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school principal after consultation with the school council. The school council shall consult with the school media librarian on the maintenance of the school library media center, including the purchase of instructional materials, information technology, and equipment;

### **POLICY**

**As of July 1, 2022 the school council shall defer to the district policy for adoption of curriculum, in accordance with KRS 106.345.**
