THE NEWSLETTER FOR AND ABOUT WOODLAND DEVELOPMENTAL CENTER

2022-23 School Year • Spring Issue 2  
June, 2023

From Principal, Natalie Adair  
2022 - 2023 School Year

## A Note From the Principal:

As we wrap up our 2022-2023 school year, I want to thank you for your continued support and partnership as we worked together throughout the year. As we approach the home stretch of the school year, students and teachers continue to work hard to reach their learning goals for the 2022-2023 school year. I am proud of students and staff for their hard work and all the progress they have made this year. Progress reports will be sent home on June 15, 2023.

Woodland would like to wish our 2023 program completers the best as they move onto the next chapter in their life. These program completers have formed many memories and built a foundation here at Woodland which will help guide them as they move forward.

The closure of the school year provides time for reflection, and excitement for the times to come. We have accomplished so much and look forward to accomplishing more in 2023-2024!

Thank you for your continued support! ~ Natalie

## Woodland is Updating Student Files and Records

As one school year ends and a new one begins, Woodland continues to work on updating all of our student files. We want to ensure that we have the most recent court orders related to custody, guardianship, adoption and place of current residence, as well as any updated emergency contact information and medication or health related plans. If your child has had any recent evaluations or assessments from an outside agency we would appreciate receiving a copy of those records. If you have any updated information, please send in any copies of the records mentioned above, or any other information that would assist us in providing a safe and secure environment for your child. If you have any questions or concerns, please feel free to reach out to us in the main office at (810) 455-1011.
